

COMMON LECTURE for BIO LABS

The Bio Dept has added a common lecture for several bio labs, (see below). **When registering for any of these labs, you will need to register for the Common Lecture concurrently.**

The total number of hours has not increased since the Bio Dept has reduced the lab by 1 hour to allow for this additional 1 hour Common Lecture.

The Common Lecture is required for the lab regardless of whether you have already taken the course.

These are the courses and labs with common lecture:

BIO 2313 Genetics (course)

BIO 3513 Biochem (course)

BIO 2322 Genetics lab

BIO 3522 Biochem lab

BIO 2320 Genetics Common Lecture

BIO 3520 Biochem Common Lecture

BIO 3813 Cell (course)

BIO 3822 Cell lab

BIO 3820 Cell Common Lecture
