**Term: Spring 20xx: Graduate**

<sup>A</sup> It is recommended to still meet regularly with your Health Professions Advisor to discuss your progress.

<sup>B</sup> Students can adjust plan to accommodate applying in fourth-year, which allows more flexibility and additional semesters pre-requisites can be completed.

\*Non-Science majors are encouraged to consider a Science Minor or take a couple of additional Advanced Science courses beyond the minimum prescribed pre-requisites to help prepare for MCAT. *Effective Fall 2024 BIO 3513 has a new course number for medical school pre-requisites. Non-Chemistry majors should take BCH 3303. Chemistry & Biochemistry majors, BCH 3313.*
