SCHOLARSHIP ANNOUNCEMENT
Academic Year 2006-2007

AMY SHELTON AND V.H. MCNUTT ENDOWED PRESIDENTIAL SCHOLARSHIP

The Department of Earth and Environmental Science is accepting letters of application for the Amy Shelton and V.H. McNutt Endowed Presidential Scholarship.

Requirements and Qualifications:
1. Submit a letter of application including name, address, and telephone number, student Banner ID number, and a brief summary as to why you are applying for this scholarship, e.g. academic record, financial need, etc.

2. “Must be enrolled full-time (minimum of 12 hours for undergraduate students and a minimum of 9 hours for graduate students), exception may be made for students in their final semester prior to graduation, for which a less-than-full-time course load will enable the student to complete the degree requirements, [degrees offered] in the Department of Earth and Environmental Science [B.S/M.S. in Geology, B.S. in Multidisciplinary Science, B.S./M.S. in Environmental Science].”

3. “Recipient or recipients will be selected primarily on academic merit. Recipients must demonstrate academic achievement by maintaining a minimum cumulative grade point average of 3.00 (on a 4.00 scale).”

This scholarship carries an award up to $1,000.00.

Letter of Application Deadline Date: Monday, November 27, 2006
