### GIS Workshop
- **July 30-31, 2012**
- 8:30am-5:00pm
- Cost: $300.00

### RS Workshop
- **August 1-2, 2012**
- 8:30am-5:00pm
- Cost: $300.00

**Cost to attend both workshops:** $500.00

**Cost includes:** Coffee break, lunch and materials

**Description:** basic understanding of GIS and/or remote sensing and their wide applications, with a focus on how to use popular software packages (ArcGIS and/or ENVI) for data manipulation, presentation, image processing and visualization.

**Location:** University of Texas at San Antonio MAIN Campus
