Office of Strategic Initiatives

Productivity Dashboard (www.data.utsystem.edu); SeekUT (www.utsystem.edu/seekUT); Influent (www.influent.org); SmartBook (mini catalog of info on students/ faculty/ demographics of system schools)

Dr. Steve Leslie, new EVC Academic Affairs

- Developing white paper for delineating campus-level needs for faculty and student support.

- Recommendation from Work Group on the Evaluation of Tenured Faculty; drawn from the model policy.
Dr. Raymond Greenberg, EVC Health Affairs

- Challenges of 2 New Medical Schools; RGV’s within an academic campus and already full enrollment;

- The Chancellor’s Strategic Plan will be laid out in November.

Dr. Ed Madison (IT) new Chief Information Security Officer for UT system

- promoting safe practices
- is meeting with CIOs of each campus
- personal device solutions
Gen. Tony Cucolo, AVC for Leadership Dev. & Veterans Affairs

- Undergraduate and Graduate Curriculum (does not know how this will work yet)
- Strategic Assessment
- Leadership Development and VA
- Human Capital, Community Engagement, and Public Policy Domains

On Campus:
- Organizational Review Team (ORT); will look at System core competencies and effectiveness
- A Campus Liaison (to assist the ORT to gather data)
- Internal Processes Tiger Team (IPTT); System Administration focused only
Dr. Patricia Hurn, VC, Health Affairs and IP

- Her question was, as a System, whether we are friendly to industry?
- The Task Force took 5 Regents Rules on IP into 1 general rule.
- “It is a fact that the University of Texas System owns all intellectual property.”
- UTS 125 will follow; an operating procedure model
- FAC underscored their concerns with the number of items that are intellectual policy and that this was implemented without faculty input.
- Right now, new RR and UTS does not include copyrights and ed tech
