Catalog Integration

Catalog Integration: Provide a description of the program, including any program-specific or department-specific admission requirements.
This degree creates a context that nurtures interdisciplinary learners who understand engagement in curriculum and instruction theory, research, practice, policy, and critical issues. The concepts of curricular innovation and teaching excellence are stressed in conjunction with expanded knowledge of content fields and applied research.

Program Admission Requirements
Applicants without adequate preparation in education may be required to complete preparatory courses as a condition of admission. Individuals who do not meet the University-wide graduate admission grade point average standard may be required to submit Graduate Record Examination (GRE) scores for consideration in admission decisions.

Degree Requirements – For undergraduate programs, list the required/core courses, general education courses, and prescribed and free elective courses for the program, along with total semester credit hours required. For graduate programs, list the required/core courses, support courses, approved elective courses, thesis/non-thesis option (master's) and doctoral requirements for the program, along with total semester credit hours required.

Degree Requirements
The Master of Arts in Curriculum and Instruction (MACI) has three options, each containing the following required components: MACI Core, MACI Research Design, MACI Concentration, MACI Support, and the culminating experience.

Option I: MACI Portfolio Option

Degree Requirements: Master of Arts in Curriculum and Instruction with Initial Teacher Certification (MACIT)

The Master of Arts in Curriculum and Instruction with Teaching certification (MACIT) is designed for individuals seeking a graduate degree in Curriculum and Instruction with teaching certification in middle schools (grades 4–8) or high schools (grades 7–12). Graduate students must be admitted into both the degree program and the Teacher Certification Program. Courses in the MACIT option explore theories and ideas of curriculum, instruction, and culturally responsive methods of teaching students with diverse learning needs. The MACIT option also includes field experiences in local schools, as students can apply what they have learned in their graduate studies. All MACIT students will complete a portfolio as a culminating experience at the end of their program. The MACIT program is a 36-hour program designed to meet the Texas Teacher Certification requirements for:

- Grades 4–8 Mathematics and Science
- Grades 4–8 English, Language Arts, Reading, and Social Studies
- Grades 7–12 Mathematics
- Grades 7–12 Science
- Grades 7–12 Social Studies
- Grades 7–12 English Language Arts

The MACIT program includes the following required components: MACI Core, MACIT Certification Core, MACIT Preclinical Methods and Clinical Teaching and the culminating experience.

Criminal History Policy and Acknowledgement

The College of Education and Human Development (COEHD) prepares educators and professionals for fields which require fieldwork, internship, practicum, service-learning and/or clinical teaching. Placements occur in educational, clinical, health care facilities, hospital, and/or medical settings which require a criminal background check. The University of Texas at San Antonio is required to inform you of the requirements set forth by the Texas Occupation Code, Chapter 53, Sections 53.001 through 53.105 (https://statutes.capitol.texas.gov/Docs/OC/htm/OC.53.htm).

All COEHD prospective students in a licensure or certification program are required to acknowledge that they have been made aware of these requirements and that they have read the COEHD Criminal History Policy. For more information and for completing the acknowledgement form, please visit the Office of Professional Preparation, Assessment, and Accreditation in the College of Education and Human Development.

Refer to Procedures for Teacher Certification (http://catalog.utsa.edu/policies/admission/graduate/proceduresforteachercertification/) at the graduate level for additional details.

Debbie Rappaport (fjs556) (Thu, 19 May 2022 14:50:27 GMT): Rollback: Roll back to amend change type to add/modify concentration

Debbie Rappaport (fjs556) (Thu, 19 May 2022 16:12:40 GMT): Proposal was rolled back to amend change type to Add/Modify Concentration. The Proposal was originally submitted as a Catalog Update and had been reviewed and approved by the department and college committees. Per Juliet Langman, I have removed those committees for this workflow and routing to the Dean for his review and approval so that proposal can be placed on Academic Council for their review.

Debbie Rappaport (fjs556) (Thu, 02 Jun 2022 18:49:44 GMT): Approved at the June 1st Academic Council meeting.

Debbie Rappaport (fjs556) (Mon, 06 Jun 2022 13:59:52 GMT): Rollback: Roll back for Ginger to upload letter and review SCH

Debbie Rappaport (fjs556) (Mon, 07 Nov 2022 21:22:58 GMT): Rollback: Per Ginger--rolling back as still under review by Graduate Council
