THIS IS WHERE YOU CREATE YOUR EXPERIENCES
With campuses spread across the nation’s seventh-largest city, UTSA, like San Antonio, has a rich history of cultural diversity and a spirit of hospitality, making it an amazing environment in which to learn, discover and grow.

**MAIN CAMPUS**
The Main Campus is the hub of UTSA, where Roadrunners discover an exciting community with bustling activity. At the foot of the Texas Hill Country, the Main Campus enjoys a scenic landscape with the conveniences of a major city. Students here can always be found studying for an exam, cheering on the basketball team or playing beach volleyball with friends. With five on-campus residence halls and several apartment complexes within walking distance, nearly 9,000 Roadrunners live on or adjacent to the Main Campus.

**DOWNTOWN CAMPUS**
The modern architecture of the Downtown Campus is a sight to admire as you drive through the heart of San Antonio’s vibrant social and cultural scenes. More than 6,000 students take classes here. You can complete all your core courses and pursue any of a number of degree programs at the Downtown Campus.

**HEMISFAIR PARK CAMPUS**
The HemisFair Park Campus is home to the Institute of Texan Cultures (ITC), which hosts exhibits and live performances about the cultural history and traditions of the Lone Star State. As a Smithsonian affiliate, the ITC shares artifacts and educational programs enjoyed by an exclusive group of member museums. The HemisFair Park Campus is directly across from the Alamodome, the 65,000-seat home of Roadrunner Football.
Part of becoming a Roadrunner means feeling at home at UTSA. What better way than to live in the heart of your university? We offer housing and dining options to complete your college experience.

**LIVING**

Living on-campus offers a variety of living facilities and comfortable apartments. Living on-campus is a great way to become fully engaged with the campus community. In addition to the convenience of having a furnished residence just a short walk away from class, students who live on campus typically earn better grades, are more likely to graduate on time and are more satisfied with their overall college experience.

Because space is limited, an application is required and is available online at utsa.edu/housing. You can apply as soon as you receive your UTSA ID. Though there is no on-campus housing at our downtown location, city buses will transport students living on Main Campus to their downtown classes for a nominal fee.

**EATING**

It’s no secret that college students need plenty of nourishment to keep their active bodies and brains functioning at peak performance. So no matter where you go on our Main or Downtown campuses, the options are plentiful to satisfy your taste buds. On-campus dining includes:

- Roadrunner Café
- Chili’s Too
- Panda Express
- Subway
- Sushi Sushi
- Extreme Pita
- Smoothie King
- Burger King
- Starbucks Coffee
- Chick-fil-A
- Papa John’s Pizza
- Einstein Bros. Bagels
- Taco Cabana
- Grille Works
- C3 Convenience

GET UP AND GO

With more than 300,000 square feet of indoor and outdoor space to explore, UTSA's Campus Rec offers something for everyone. We also have facilities located at our Downtown Campus!

FITNESS
Zumba®, cycling and yoga—that's just a small taste of what we offer in our group exercise classes, free to all students. Also available are multiple weight and cardio areas, an indoor track and dedicated core space. If you need that extra push, we offer personal trainers at an affordable price.

WELLNESS
Learn how to cook inexpensive, healthy meals in our Demo Kitchen or schedule an appointment with our registered dietician. Learn how fit you are by signing up for a fitness assessment with a personal trainer. We also offer stress-free massages.

OUTDOOR PURSUITS
Surf camp, canoeing, mountain biking, hiking trips and our indoor climbing wall are just a few examples of what we offer for a variety of skill levels, both locally and across the country. We also offer a free equipment-lending program.

CLUB SPORTS
Continue to play sports at a competitive level against other universities while refining your leadership skills. Check out one of our already established Club Sports or form one of your own.

INTRAMURAL SPORTS
Participate for free in a variety of on-campus team and individual competitions in traditional and non-traditional sports. All intramural sports include divisions for men, women and co-rec, and you can organize your own teams or be a free agent.
When it comes to sports, Roadrunners love to get rowdy and show their school spirit. The best part is that you don’t have to be just a spectator. Be part of the teams or get involved as a UTSA cheerleader, member of the band or dance team.

**ATHLETICS**
Be part of one of our 17 Division I athletic teams. We are fierce competitors who have won several conference championships at the NCAA’s highest level of play. UTSA students get in free to all regular season on-campus sporting events and all regular season football games at the Alamodome. Now is the time to join or cheer on your fellow Roadrunners, especially with the move to Conference USA.

**SPIRIT OF SAN ANTONIO MARCHING BAND**
With the Roadrunner Football season in fall 2012 comes another great tradition—the UTSA Spirit of San Antonio Marching Band! The marching band is part of UTSA’s Athletic Band Program that also includes Athletic Pep Bands, WinterGuard and Drumline.
Find Your Fit

It’s easy to get involved. You can join any of more than 260 organizations including academic clubs, social and professional organizations, Greek fraternities and sororities, and special interest groups. Student organizations help plan Homecoming and campus festivals such as Fiesta UTSA, Best Fest, Party on the Paseo and Rowdy Wing Fling.

Student Activities

The Office of Student Activities provides UTSA’s diverse student population with leadership development, cultural events, campus-wide entertainment events, community service opportunities and annual student recognition programs.

University Center

 Known as the UC, the University Center offers a place for recreation and relaxation. The UC hosts a variety of regularly scheduled weeknight and weekend activities like Coffeehouse concerts and poetry jams, barbecues and hypnotist shows. UCinema Nights feature free screenings of blockbuster hits before they’re available on DVD along with free popcorn. The Roost Gameroom has video gaming on six flat-screen TVs, pool tables, table tennis and more. There’s also a bank, hair salon, technology store, mail/copy center, food court and bookstore—making it easy to take care of business and get right back to what’s important. Head over to the University Center where there’s never a dull moment.

Your First Year at UTSA ... and Beyond

We want to help you get a good start on your way to earning a college degree. That's why all freshmen and freshman transfer students at UTSA participate in the First-Year Experience, a program that helps new students make connections academically and socially on campus.

At the core of the First-Year Experience is the peer mentor program. You will be paired with a dedicated and experienced student who has been specially trained to help new students make the transition to university life. Your peer mentor will support and guide you in balancing your social life with academics, developing effective college survival skills, connecting with other students and solving whatever problems you may face as a first-year college student.

As a first-year student, you also will enroll in Academic Inquiry and Scholarship, a course that introduces students to the fundamentals of college coursework and how different disciplines pursue new knowledge and ideas.

By the end of your first year at UTSA, you will have the solid foundation to prepare you for success in and out of the classroom for the rest of your college experience—and all the way to your graduation day.
IN YOUR PURSUIT OF HIGHER KNOWLEDGE, UTSA’S NINE COLLEGES COLLABORATE TO PROVIDE YOU WITH AN EDUCATION THAT PREPARES YOU FOR ANY PATH YOU CHOOSE.

We offer a curriculum that promotes critical thinking and problem solving so that you graduate with the skills and confidence you need in today’s knowledge-based economy.

Many of our graduates who have studied pre-med or pre-law have been accepted at esteemed medical and law schools, while those who wish to continue their studies in other fields have been accepted at UTSA’s Graduate School and other major graduate schools around the country. Others who prepared to enter the workforce have been hired at Fortune 500 companies. We will equip you to define your place in the world—whatever your ambition.

COLLEGE OF ARCHITECTURE*
UTSA.EDU/COA • 210-458-3010
Imagine designing stunning high-rise complexes, determining how to preserve historic structures or developing progressive sustainable building practices. Here, your passion for drawing, drafting and building will make you an active participant in the design, construction and planning of the built environment. We offer the second-largest college of architecture in Texas, and the Downtown Campus facilitates exploration of San Antonio’s design, construction, city planning and cultural traditions. Students engage with industry professionals, conduct research and implement projects that benefit the local community.

COLLEGE OF BUSINESS
UTSA.EDU/COB • 210-458-4313
Imagine standing on the floor of the New York Stock Exchange with other high-energy traders or launching your own company. This is the place to gain real-world experience and prepare for an exciting career anywhere in the world. We offer the largest undergraduate business school in the UT System and one of the top 40 largest in the nation. We’ve earned exclusive international accreditation, and our MBA program is ranked in the top 10 nationally by BusinessWeek, HispanicBusiness and Princeton Review.

COLLEGE OF EDUCATION AND HUMAN DEVELOPMENT
UTSA.EDU/COEHD • 210-458-4370
Imagine standing in front of your students, guiding them through the curriculum or helping physical therapy patients overcome pain. This is the place where you’ll make a difference, whether you educate in the classroom, in a health field or in the community. We are one of the largest providers of educators in Texas. Our Mobile Health Lab has state-of-the-art equipment students and faculty use to research diabetes, osteoporosis and other diseases.

COLLEGE OF ENGINEERING
UTSA.EDU/COE • 210-458-5526
Imagine landing a job at Microsoft as a project leader for the Xbox 360 team or becoming the next vice chairman for Dell. This is the place where such engineering graduates have learned the skills necessary for these exciting positions. With nationally ranked departments and programs, we are the fastest-growing engineering college in Texas. Design and develop the technology of tomorrow in our state-of-the-art laboratories and classrooms, such as our $84 million Applied Engineering and Technology Building.

COLLEGE OF LIBERAL AND FINE ARTS
UTSA.EDU/COLFA • 210-458-4350
Imagine debating with classmates as you consider the finer points of philosophy or the abilities of ancient artists. This is the place where your professors will encourage your self-expression, no matter where your passion lies. We bring together the arts, humanities and social sciences in a fertile learning environment. Our esteemed faculty boasts national and international honors. Flaunt your own research, multimedia projects, art and musical performances at our annual college conference.

COLLEGE OF PUBLIC POLICY*
UTSA.EDU/COPP • 210-458-2530
Imagine testifying in Austin before a Senate Committee, explaining why a change to a law will make Texas safer, healthier or more prosperous. This is the place you’ll gain the tools to help our society make important changes. We’re housed at the Downtown Campus near many government, law enforcement and nonprofit organizations. Learn to lead and strengthen nonprofit organizations with our minor in nonprofit management. Secure an internship with one of our 150 partnerships.

COLLEGE OF SCIENCES
UTSA.EDU/COS • 210-458-4450
Imagine studying atoms using the best aberration-corrected microscope at any U.S. university. This is the place to find such exclusive technology, preparing you to become a scientific leader of your generation. We offer world-class faculty unparalleled opportunities to perform cutting-edge research. The college’s facilities include three buildings and 70 research and instructional laboratories. Explore new frontiers, and discover answers to change the future.

HONORS COLLEGE
UTSA.EDU/HONORS • 210-458-4106
Imagine sitting in a class reserved for the most academically talented students on campus, having a focused discussion about your area of study. This is the place you’ll find intellectual challenges and enjoy close relationships with your classmates and professors. UTSA’s Honors College is competitive, but open to all majors and offers priority registration. We award approximately $300,000 in honors scholarships annually. We also provide you with opportunities for study abroad, internships and undergraduate research.

UNIVERSITY COLLEGE
UTSA.EDU/SUCCESS • 210-458-5190
Imagine keeping your options open. The University College is the place to explore your own interests and what the university has to offer. All freshmen and freshman transfer students, undeclared students and some pre-majors will start at the University College before joining their intended college. It’s also home to students pursuing the B.A. in multidisciplinary studies to create a customized degree plan to suit their unique career goals.

Imagine studying architecture in Italy, flora and fauna in Costa Rica or archaeology in Belize. Discover different people, cultures and educational systems. Make a lifelong friend from Spain or Thailand. This is the place you can broaden your awareness of the world, no matter which major you choose. Spend a semester overseas to infuse your education with a global perspective. About 330 students study abroad each year, living in more than 30 countries. We offer more than 20 faculty-led programs abroad. UTSA also offers short-term, Maymester and full semester programs. You can also study in another country through one of our many exchange agreements.

Working with academic advisers and UTSA’s Education Abroad Services department, the chance to experience life in another part of the world can be a reality whether it’s on your own or through a faculty-led study abroad.

YOUR SUPPORT NETWORK

THE FIRST YEAR CAN BE A BIG STEP. UNDECIDED ABOUT WHICH MAJOR IS RIGHT FOR YOU? UNSURE ABOUT WHAT PREREQUISITES YOU NEED TO TAKE? NO WORRIES. WE CAN HELP.

ACADEMIC INQUIRY AND SCHOLARSHIP (AIS 1203)
This thematic course, which is part of the First-Year Experience, explores the diverse ideas and practices used to investigate and create knowledge within the humanities, social sciences and natural sciences. Through videos, group work and lively discussion, you will have the opportunity to gain a new understanding of the wonders that influence our society and the human experience.

COLLEGES’ FRESHMAN ADVISING CENTER
Though you have a declared major, you may still have many questions. You might be wondering, “How do I know which business class I should take?” or “What prerequisites do I need before next year?” Don’t worry—we’ll guide you in the right direction.

TOMÁS RIVERA CENTER FOR STUDENT SUCCESS
The Tomás Rivera Center for Student Success works with students who are undecided about their major and can help you make your decision. Our academic coaches assist students through programs such as supplemental instruction and free tutoring to ensure you achieve your educational goals.

LIBRARIES
Have access to millions of books and articles in print and online as well as personalized research assistance to complete your class projects. Our librarians are available to answer your questions in person or via email, text and chat. Open 24 hours during the fall and spring terms, the Main Campus library serves 10,000 students a day. Students love the Information Commons with 150 computer workstations and being able to check out a laptop for a class presentation. The Downtown Campus library and the “bookless” library in the Applied Engineering and Technology Building also provide unique services.

UNIVERSITY CAREER CENTER
A complete college education includes learning the skills to make solid career decisions. The University Career Center offers guidance as you prepare for life after UTSA. Go on a mock interview, take a skills-training workshop, spruce up your résumé or attend an etiquette dinner. Find informational webinars, work-study or part-time jobs, general job listings and internship possibilities. Students who need some direction regarding their major and career pursuits can take a personal career-planning course.

OPPORTUNITIES FOR EXCELLENCE

YOU’LL BE ABLE TO GET MORE THAN JUST YOUR DEGREE HERE AT UTSA. SEVERAL PROGRAMS ARE AVAILABLE FOR YOU TO EXPLORE AND FIND YOUR PASSION, INCLUDING:

HEALTH PROFESSIONS PROGRAM
If you are preparing for advanced study in a health profession such as medicine, dentistry, nursing, physical therapy, occupational therapy or pharmacy, our advisers in the University Health Professions Office will guide you in fulfilling professional school admission requirements. UTSA offers an innovative seven-year dual degree B.S./M.D. program with the UT School of Medicine at San Antonio, as well as an early admission dental program, DEAP. We’ll also provide assistance with the application processes for medical and dental school. For more information, visit utsa.edu/healthprofessions.

PRE-LAW PROGRAM
Created as a partnership between UTSA and The University of Texas School of Law, the Institute for Law and Public Affairs (ILPA) prepares upper-level undergraduates for law school or careers in public affairs. The institute’s two-year Summer Law School Preparation Academy includes courses in legal technical writing, legal research and writing, law school studies, constitutional analysis, legal and philosophical research, torts, analytical reasoning and LSAT preparation. For more information, visit utsa.edu/ilpa.

ROTC PROGRAMS
Learn invaluable leadership skills and boost your confidence in one of our ROTC programs. The training you receive in either Army or Air Force ROTC is applicable to any career that involves leading, managing and motivating people, or fostering teamwork. Such management experience is useful in the job market even after a military career. ROTC scholarships are available for students who plan to make a post-graduation commitment to the military.

STUDENT LEADERSHIP PROGRAM
Every student has the capacity to serve the community through leadership, so tap into your potential and enhance the strengths you already possess. Through education, engagement and experience, the Student Leadership Center provides opportunities to participate in activities that improve the university and community. No matter where you are in your leadership development, our resources will pave the way for you to become a leader committed to life-long learning, community engagement and active citizenship.

YOUR PATH TO PROFESSIONALISM

DIANA CUERVO
SENIOR, FINANCE
“I’m a finance major at UTSA, and I want to do wealth management in the future. I like helping people’s money grow. The classes [in Honors College] are smaller. The professors get to know you better. You get a more personal experience even with 30,000 students.”

PEDRO HERNANDEZ
SENIOR, BUSINESS ADMINISTRATION
“The university allowed me to grow. I figured since it was my first time going to a major university, I was going to be completely lost. But with all the services on campus, I started to grow more. I started believing in myself. That was the main thing—believing in myself. Now I’m about to graduate in the fall.”

NICCI CAMPBELL
SENIOR, ENGLISH
“As soon as I toured UTSA, I fell in love with it. The campus was so friendly and everything is really close together, and I love the Roadrunner community and the pride. After UTSA, I will have my bachelor’s in English with a concentration in professional writing. I want to take that to law school.”

CHASE CHAPMAN
SENIOR, MECHANICAL ENGINEERING
“I’ve wanted to be a pilot ever since I was a little kid. It’s finally within my grasp. After I graduate, I have a for-sure job. I’ll be going to pilot training. I honestly couldn’t be any happier.”

LOREN KORRODI
SENIOR, KINESIOLOGY
“At UTSA, I’ve learned so much from the professors. They’ve helped me in learning and broadening every aspect of my major. A lot of my courses are very hands on. What I envision for myself is to be working as a physical therapist, working with kids and older adult patients, and going into sports medicine.”

RUSTEIN AND TRAVIS MERRIWEATHER
SENIORS, MUSIC
“UTSA was a great choice because of the music program. Dr. Hamrick is a well-renowned musician, and he’s our personal mentor. We’ve had the pleasure of working with him. It was a logical choice for the both of us, both being interested in music, to come to UTSA.”

VALUE OF YOUR DEGREE

Where will your UTSA degree take you? Wherever you want to go.

DREAM JOB

With the hands-on experience you’ve gained in the classroom, an internship under your belt and a network of professional relationships to rely on, you’ll be fully prepared to land a position where you’ll be satisfied and successful. UTSA’s Career Center will help you find (and follow) your path to wherever you desire to go.

GRADUATE SCHOOL

If you want to continue your studies and take your education to the next level, you’ll be ready to enter UTSA’s Graduate School or another school anywhere in the country. Entrepreneurs may want to attend our prestigious M.B.A. program, educators may pursue a doctoral degree. Whatever your ambition, you’ll be prepared to follow it.

ALUMNI SUCCESS

Our graduates have explored the world far and wide in all kinds of fields. Soon, you’ll be one of them, living out your dreams in whichever path you choose. Roadrunners have gone on to own their own businesses and work for Fortune 500 companies. UTSA has helped its alumni achieve those successes, and we’ll help you, too.
**APPLYING TO UTSA**

**FRESHMAN**

**REQUIREMENTS**

Admissions requirements have been designed to identify students who are academically prepared to be successful at UTSA. Offers of admission are valid only for the semester for which the application is submitted.

All students must meet either the school program/curriculum requirements or the SAT/ACT College Readiness Benchmarks of the state’s Uniform Admissions Policy.

Top 25% SAT or ACT scores are not used to determine admission of applicants ranked in the top 25% of their class, but they must be submitted.

**Committee Review** In order to be considered for admission through committee review, applicants must meet the stated minimum SAT or ACT requirements; however, meeting the stated minimum test scores DOES NOT guarantee admission.

**HOW TO APPLY**

**REQUIRED:**
1. Apply online at applytexas.org.
2. Pay a $60 application processing fee.
3. Submit your official high school transcript.
4. Send your ACT/SAT scores directly from the testing agency:
   - SAT - Code: 6919
   - ACT - Code: 4239

**RECOMMENDED:**
1. Essay and letters of recommendation, especially for those in committee review.
2. If you took college credit courses, send your final official college transcript when available (not required for admission decisions).
3. If you are graduating early from high school, submit a recommendation letter from your guidance counselor.

**NOTE** Offers of admission are valid only for the semester for which the application is submitted. Students admitted to the university are not guaranteed admission to a specific academic program.

**HOW TO APPLY**

**REQUIRED:**
1. Apply online at applytexas.org.
2. Pay a $60 application processing fee. Transfer students are not eligible for fee waivers.
3. Submit your official transcripts from EACH college or university attended, including dual credit work. UTSA is not responsible for contacting your previous college(s). You must contact them and have your transcripts sent to UTSA, Office of Undergraduate Admissions, One UTSA Circle, San Antonio, TX 78249.
4. If you are a Freshman Transfer (1 to 29 transferable hours at the time of application), you must also submit your official high school transcript with graduation date and request ACT/SAT scores be sent directly from the testing agency:
   - SAT - Code: 6919
   - ACT - Code: 4239

5. You will need to complete your admissions file to be reviewed by the deadline of the term you would like to attend.

**NOTE** A student currently on suspension at a previous institution will not be considered for admission. When calculating the cumulative GPA for admission, ALL transferable coursework is considered. Repeated courses are NOT excluded.

*ENGLISH LANGUAGE ASSESSMENT PROGRAM (ELAP): Test to determine possible placement in lower-level English courses for international students.

**Requirements**

**Freshman Admission**

Freshman applicants graduating from a foreign high school must have a minimum cumulative grade point average (GPA) of 2.5 out of 4.0. Freshman applicants graduating from a U.S. high school, an American school in a foreign country or a high school in a native English-speaking country must submit SAT or ACT scores.

**Transfer Admission**

Applicants transferring from a foreign college/university must have a minimum cumulative grade point average (GPA) of 2.5 out of 4.0. Applicants transferring from a U.S. college/university must have a minimum cumulative grade point average (GPA) of 2.25 out of 4.0. Applicants with fewer than 30 semester hours of academic credit earned at the time of applying must also submit the freshman requirements.

**Conditional Admission**

Conditional admission is a program for international undergraduate students who meet our academic requirement but who do not meet our TOEFL or IELTS score requirement. Students eligible for conditional admission will first enter the UTSA Intensive English Program (IEP) for at least one semester until the required TOEFL or IELTS score is achieved.

**How to Apply**

**Required:**
1. Apply online at applytexas.org.
2. Pay a $60 application processing fee.
3. If you are applying as a freshman, submit your official high school transcript.
4. If you are applying as a transfer, submit an official transcript from each college/university attended and submit a foreign credential evaluation of your foreign college/university transcripts. We recommend Foreign Credential Services of America (FCSA): www.fcsa.biz.
5. Submit an official English translation for non-English transcripts.
6. Refer to page 32 for SAT/ACT requirements. Send your ACT/SAT scores directly from the testing agency:
   - SAT: Code 6939
   - ACT: Code 4239
7. Submit your TOEFL or IELTS scores directly from the testing agency.

**College-Specific Requirements**

Several academic areas at UTSA have set standards beyond the university’s general admission criteria that must be met to qualify for the chosen major. Those academic areas currently include the College of Architecture, College of Business, College of Engineering, Department of Biology, Department of Communication, Department of Health and Kinesiology, and Department of Music. Students who are admitted to UTSA and who wish to enroll in those colleges or departments but do not yet meet the criteria will undertake coursework to meet additional requirements to qualify for the chosen major before being admitted to the program.

For more information: utsa.edu/ucat.

**Top Scholars Requirements**

The Top Scholar program is the first scholar program at UTSA that combines a merit based scholarship with personalized signature experiences in academics, leadership and community service. Students who have the best chance of being invited to UTSA for a selection interview will be a first-time college freshman and have:

- 1400 SAT or 32 ACT
- Top 5% of graduating class
- Proven leadership
- School/community involvement
- Texas resident

UTSA is well aware of the cost to earn a quality post-secondary education. But UTSA historically is less expensive than many other Texas public universities in major metropolitan areas. We hope you will agree that enrolling at the university is a wise investment in your future and a doorway to fulfilling your dreams.

The figures below are based on 15 hours per fall and spring semester. Room and board are based on approximate average costs.

$9,000 Tuition and Fees (in state)
$19,800 Tuition and Fees (out of state)
$1,000 Books/Supplies
$9,600 Room and Board

Financial aid consists of federal, state and institutional funds such as grants, loans, work-study and scholarships. To apply for these funds, you must complete the online Free Application for Federal Student Aid (FAFSA) for the applicable aid year. This must be done each year.

The priority deadline to submit your FAFSA for fall applicants is March 15. Typically, grants are awarded on a first-come, first-served basis. Students must be admitted to UTSA to be given a financial aid award. Financial aid is typically awarded for the fall and spring semesters.

TOP SCHOLAR SCHOLARSHIP
• Deadline: December 1
• Application through topscholar.utsa.edu

TERRY SCHOLARSHIP
• Deadline for freshmen: February 1
• Deadline for transfers: March 15
• Application available through Honors College

HONORS COLLEGE
• Deadline: February 15
• Students entering the Honors College are automatically entered into competition for all available scholarships for which they qualify

UTSA GENERAL SCHOLARSHIP
• Deadline: February 15
• Application through ApplyTexas.

RISING ROADRUNNER SCHOLARSHIP
• Deadline: March 1
• Application through utsa.edu/risingroadrunner

The General Scholarship Application is only for those scholarships awarded through the Financial Aid Office and is available through ApplyTexas. Before completing the scholarship portion of the application, it is recommended to review the scholarship options and criteria found on the Scholarship website at utsa.edu/scholarships. Information and applications for UTSA departmental scholarships can also be found at this site. To be considered for several need-based scholarships, it is recommended that a FAFSA be filed each year. Below you will find information for specific major scholarships and their deadlines:

We have developed a Financial Aid Outreach program in which financial aid representatives work directly with students and parents to educate them on the affordability of UTSA. Topics and services include financial aid overviews and workshops on how to complete the FAFSA. Visit the Outreach link on our website for a calendar of events in your area. Presentations are offered in English and Spanish.
