Submit official high school transcript

Home school or GED Students

Your application will go directly to committee review. There is no minimum SAT/ACT score, but scores must be submitted from the testing agency.

Applying as a Freshman

Incoming Freshmen

- Apply online at ApplyTexas.org
- Pay a $60 application processing fee
- Submit official high school transcript
- Submit test scores from the testing agency: ACT Code: 4339 SAT Code: 6915
- If you are to be considered for admission through committee review, submission of an essay and letters of recommendations are highly suggested.
- If you receive dual credit college courses, submit official college transcripts (not required for a decision)
- If graduating early from high school, submit a recommendation letter from your guidance counselor.

Submit official high school transcript

Transferring < 12 completed credit hours

If you have < 12 completed credit hours, you must maintain a 2.5 cumulative GPA on a 4.0 scale in all transferable coursework. Submit official transcripts from each college/university attended. Gordon course programs and dual credit hours are not considered in this calculation. All attempted work is considered. Repeated courses are not included. You must be eligible to return to the most recent institution.

Transferring 12 to 29 completed credit hours

If you have 12 to 29 completed credit hours, you must maintain a 2.75 cumulative GPA on a 4.0 scale in all transferable coursework. Submit official transcripts from each college/university attended. Gordon course programs and dual credit hours are not considered in this calculation. All attempted work is considered. Repeated courses are not included. You must be eligible to return to the most recent institution.

Transferring 30 or more completed credit hours

If you have ≥ 30 completed credit hours, you must maintain a 2.25 cumulative GPA on a 4.0 scale in all transferable coursework. Submit official transcripts from each college/university attended. Gordon course programs and dual credit hours are not considered in this calculation. All attempted work is considered. Repeated courses are not included. You must be eligible to return to the most recent institution.

Unofficial transcripts are not accepted.

Financial Aid

Scholarships

General Scholarship Application

MORE INFO: utsa.edu/scholarships

The General Scholarship Application is only for scholarships awarded through the Financial Aid Office and is available through AppliFama. Scholarship options and criteria can also be found online, as well as additional departmental scholarships.

UTSA Top Scholar Program

MORE INFO: utsa.edu/topscholar

Top Scholars receive a four-year (eight regular semesters) scholarship that includes personalized signature experiences in academics, leadership and community service as well as funding for tuition, fees, room and board. To qualify, first-time freshmen must apply at utsa.edu/topscholar and be in the top 5% of their class, have a 4.00 SAT or 32 ACT score and be a Texas resident.

Phi Theta Kappa Scholarship

MORE INFO: utsa.edu/undergrad/scholarships

Phi Theta Kappa scholarships are awarded to students who are members of PTK, are incoming first-time transfer students and a Texas Resident, have a 3.0 GPA or higher, apply by the deadline and be enrolled full-time at UTSA for fall and spring semesters.

Distinguished Presidential Scholarship

MORE INFO: utsa.edu/dps

Automatic consideration will be given to fall applicants admitted by the deadline who meet the requirements based on fund availability. Students can receive up to $24,000 for four years.

Distinguished Transfer Scholarship

MORE INFO: utsa.edu/dts

Automatic consideration will be given to fall and spring applicants admitted by the deadline who meet the requirements based on fund availability. Students can receive up to $6,000 over two years.
**Areas of Study**

**College of Architecture, Construction and Planning**
- Biomedical Engineering
- Civil Engineering
- Computer Engineering
- Data Center Design
- Electrical Engineering
- Mechanical Engineering
  - Oil and Gas

**College of Business**
- Accounting
- Actuarial Science
- Business Analytics (continuing)
- Cyber Security
- Economics
- Entrepreneurship
- Finance
- General Business
- Human Resource Management
- Information Systems
- Management
  - International Business
  - Management Science
- Marketing
- Operations and Supply Chain Management (continuing)
