<b>Total Hours for the UTSA Core Curriculum completed at the community college      36</b>	
<b>This plan's core curriculum has been tailored to allow the entire music field of study to be completed at the community college. The core curriculum at UTSA requires 42 credit hours; therefore, the remaining 6 hours must be completed after transferring to UTSA. If you have already completed these two components, you may delay 6 hours from any of the other components and complete these hours after transferring to UTSA.</b>	

**Things to do and remember at the Community College:**

- Read the Community College catalog for course descriptions and prerequisites.
- Visit with a Community College counselor for help with course sequencing and availability as it could affect the time it takes to complete the entire degree program.
- Remember that a maximum of 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA. (Adjustments can be made for courses with lab hours.) Developmental education, orientation, life experience, mathematics below the College Algebra level, and vocational-technical courses are not acceptable for transfer credit.
- Visit with a UTSA Transfer Specialist or email them at [Transfer@utsa.edu](mailto:Transfer@utsa.edu) if you have questions about the transfer plan or UTSA admissions requirements and policies.
- Be sure to apply for admission to UTSA at least one semester prior to intended transfer term. There are application deadlines, which are found at [www.utsa.edu](http://www.utsa.edu) >Future Students>Academic Services>Admissions.
