Total Hours for the UTSA Core Curriculum completed at the community college 36 This plan's core curriculum has been tailored to allow the entire music field of study to be completed at the community college. The core curriculum at UTSA requires 42 credit hours; therefore, the remaining 6 hours must be completed after transferring to UTSA. If you have already completed these two components, you may delay 6 hours from any of the other components and complete these hours after transferring to UTSA.	

Things to do and remember at the Community College:

- Read the Community College catalog for course descriptions and prerequisites.
- Visit with a Community College counselor for help with course sequencing and availability as it could affect the time it takes to complete the entire degree program.
- Remember that a maximum of 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA. (Adjustments can be made for courses with lab hours.) Developmental education, orientation, life experience, mathematics below the College Algebra level, and vocational-technical courses are not acceptable for transfer credit.
- Visit with a UTSA Transfer Specialist or email them at Transfer@utsa.edu if you have questions about the transfer plan or UTSA admissions requirements and policies.
- Be sure to apply for admission to UTSA at least one semester prior to intended transfer term. There are application deadlines, which are found at www.utsa.edu >Future Students>Academic Services>Admissions.

Things to do and remember upon Admission to UTSA:

- Make an appointment with the academic advisor of the major once accepted to UTSA to clarify department, college and university policies and procedures, course sequencing and help with identifying resources for academic success. Current listing of academic advisors: www.utsa.edu/advise/advisors.htm
- Refer to the official source of information on specific courses within the UTSA requirements for this degree plan from the 2008-2010 Undergraduate Catalog on page 341-349 of the catalog or visit the web site at www.utsa.edu
- This degree program requires a "C" or better on certain major courses.
- Read the UTSA Catalog and Information Bulletin.
- Pay close attention to course sequencing and availability at UTSA as it will affect the time it takes to complete the degree program.

Special Degree Requirements. All students pursuing the Bachelor of Music degree are required:

- ✓ to make one recital appearance during the last semester of required study on their principal instrument; performance majors are required to make a minimum of one recital or area seminar appearance each semester on their principal instrument
- ✓ to perform in University ensembles; specific ensemble requirements for each degree concentration are outlined in the Department of Music Student Handbook (available in the department office)
- ✓ to meet music performance proficiency standards established for principal instruments; students not meeting those standards must repeat music performance courses until proficiency standards have been met
- ✓ to fulfill the recital and seminar attendance requirement as defined in the Department of Music Student Handbook.

Listening examinations are required for students who specify classical guitar as their principal instrument.

Details regarding listening examinations are available in the Department of Music Student Handbook.

We are pleased that you intend to transfer to UTSA to complete your Bachelors degree. This transfer plan ensures that these courses will transfer to UTSA with earned grades of "D" or higher for this degree program. Please note that some majors require a grade of "C" or better and this is stated in the UTSA catalog for the particular major.

If you have any questions about community college courses that do not appear on this transfer plan, please contact the transfer specialist at Transfer@utsa.edu. This plan was created from the curriculum listed in the 2008-2010 UTSA Undergraduate Catalog and the community college catalog available at the time of production.
