</table>

Total Hours for the UTSA Core Curriculum completed at the community college: 43

Things to do and remember at the Community College:
- Read the Community College catalog for course descriptions and prerequisites.
- Visit with a Community College counselor for help with course sequencing and availability as it could affect the time it takes to complete the entire degree program.
- Remember that a maximum of 66 transferable semester credit hours from a community college can be applied to a bachelor’s degree at UTSA. (Adjustments can be made for courses with lab hours.) Developmental education, orientation, life experience, mathematics below the College Algebra level, and vocational-technical courses are not acceptable for transfer credit.
- Visit with a UTSA Transfer Specialist or email them at Transfer@utsa.edu if you have questions about the transfer plan or UTSA admissions requirements and policies.
- Be sure to apply for admission to UTSA at least one semester prior to intended transfer term. There are application deadlines, which are found at www.utsa.edu >Future Students>Academic Services>Admissions.

| CHEM 1311*  
CHEM 1312*  
CHEM 2323* | General Chemistry I Lecture & Laboratory  
General Chemistry II Lecture & Laboratory  
Organic Chemistry I Lecture & Laboratory | 4     | CHE 1103 & 1121  
CHE 1113 & 1131  
CHE 2603 & 2612 (1 hour) |
| MATH 2414* | Calculus II                                  | 4     | MAT 1224                      |
| PHYS 2125* | University Physics I Laboratory              | 1     | PHY 1951                      |
| PHYS 2126* | University Physics II Laboratory             | 1     | PHY 1971                      |
| BIOL 1306* | Biology for Science Majors I                 | 3     | BIO 1404                      |
| BIOL 1106* | Biology for Science Majors I Laboratory      | 1     | BIO 1404 (1 hour)             |

NOTES:
* Must be completed with a “C-” or better for acceptance into degree program at UTSA

Special Department Admission Requirements
In order to declare Biochemistry as a major, a student’s academic performance will be evaluated after the six courses listed below have been completed. To declare a major in Biochemistry, a Pre-Chemistry (PCH) student must have:

- a grade point average of at least 2.0 for all UTSA coursework
- a grade point average of at least 2.5 the six courses listed below
- successfully satisfied all three sections (mathematics, reading, and writing) of the Texas Success Initiative (TSI)
- successfully completed the following or equivalent courses with a grade of “C-” or better:
  - CHE 1103 General Chemistry I (or CHE 1143 Principles of Chemistry I)
  - CHE 1113 General Chemistry II (or CHE 1153 Principles of Chemistry II)
  - CHE 1121 General Chemistry I Laboratory
  - CHE 1131 General Chemistry II Laboratory
  - MAT 1214 Calculus I
  - PHY 1943 and PHY 1951 Physics for Scientists and Engineers I and Laboratory

Applicants who have completed all the above courses as equivalent transferable college credit with a grade of “C-” or better and have no UTSA coursework can declare a Biochemistry major if they:

- meet all UTSA undergraduate admission requirements
- have a cumulative grade point average of 2.5 or better for transfer courses equivalent to the six course listed above
- have successfully satisfied all three sections (mathematics, reading, and writing) of the Texas Success Initiative (TSI).

Things to do and remember upon Admission to UTSA:

- Make an appointment with the academic advisor of the major once accepted to UTSA to clarify department, college and university policies and procedures, to review course sequencing and to help with identifying resources for academic success. A current listing of academic advising centers can be found at the following link: www.utsa.edu/advise/advisors.html.
- Refer to the official source of information on specific courses within the UTSA requirements for this degree plan from the 2016-2017 Undergraduate Catalog or visit the web site at www.utsa.edu.
- Information on Gateway Courses can be found here: http://www.utsa.edu/registrar/students/gateway.html.
- This degree program requires a “C-” or better on all major and support courses.
- Read the UTSA Undergraduate Catalog and Student Information Bulletin.
- Pay close attention to course sequencing and availability at UTSA as it will affect the time it takes to complete the degree program.

We are pleased that you intend to transfer to UTSA to complete your Bachelors degree. This transfer plan ensures that these courses will transfer to UTSA with earned grades of “D” or higher for this degree program. Please note that some majors require a grade of “C-” or better and this is stated in the UTSA catalog for the particular major.

If you have any questions about community college courses that do not appear on this transfer plan, please contact the transfer specialist at Transfer@utsa.edu. This plan was created from the curriculum listed in the 2016-2017 UTSA Undergraduate Catalog and the community college catalog available at the time of production.
