Notes

At Austin Community College

- ☞ Read the Austin Community College catalog course descriptions for prerequisites.
- ☞ Visit with an Austin Community College counselor for help with course sequencing.
- ☞ Only 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA.

At UTSA

- ☞ Be sure to visit the College of Business Undergraduate Advising Center, Room BB 2.02.04; Phone (210) 458-4563 for assistance with course sequencing.
- ☞ Please note that developmental education, orientation, life experience, high school level, mathematics below the College Algebra level, or vocational-technical courses are not acceptable for transfer credit at UTSA.
- ☞ All course requirements at UTSA designated as upper-division may be transferred to UTSA only from senior-level institutions. For credit to be transferred as an upper-division course, the institution where credit was earned must be an accredited senior-level institution, and the course must be described in the catalog as being upper-division.
- ☞ Thirty-nine of the total hours required for this degree must be at the upper-division level.

It is very important that students pay close attention to course prerequisite sequencing and availability at both the community college and at UTSA as it will affect the time it takes to complete entire degree program.
