Notes

At Northwest Vista College

- ☞ Read the Northwest Vista College catalog course descriptions for prerequisites.
- ☞ Visit with a Northwest Vista College counselor for help with course sequencing.
- ☞ Only 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA.

At UTSA

- ☞ Be sure to visit the College of Liberal and Fine Arts Undergraduate Advising Center, Room HSS 4.05.32; Phone (210) 458-4900 for assistance with course sequencing.
- ☞ Please note that developmental education, orientation, life experience, high school level, mathematics below the College Algebra level, or vocational-technical courses are not acceptable for transfer credit at UTSA.

It is very important that students pay close attention to course prerequisite sequencing and availability at both the community college and at UTSA as it will affect the time it takes to complete entire degree program.
