<input type="checkbox"/>	Political Science	GOVT 2301, 2302	6
<input type="checkbox"/>	Computer Literacy+	See below*	
<input type="checkbox"/>	Physical Education+	See below*	
Total Hours to complete Core Curriculum			42

Courses listed with a +sign are Chart II-Institutionally designated. If the ENTIRE core curriculum is not completed at the community college before transferring, these + sign courses will transfer as electives, and students may be required to take other courses at UTSA to satisfy like components.

*Note: In order to progress in the major at UTSA, the student is advised not to complete community college core where indicated. This will allow the student to complete mathematics and science courses needed to progress in the major once he/she transfers to UTSA.

Northwest Vista College, contd.

In addition, while at Northwest Vista College, students should take these courses:

<input type="checkbox"/>	GEOL 1403	4
<input type="checkbox"/>	GEOL 1404	4
<input type="checkbox"/>	BIOL 1408 (See Notes)	4
<input type="checkbox"/>	PHYS 1401	4
<input type="checkbox"/>	PHYS 1402	4
<input checked="" type="checkbox"/>	CHEM 1112, CHEM 1111 from Core (2 hours applied)	2
<input checked="" type="checkbox"/>	MATH 2412 from Core (1 hour applied)	1

Total hours in addition to Core Curriculum	23
--	----

TOTAL HOURS at Northwest Vista College	65
---	-----------

UTSA

Upon transferring to UTSA, students should complete the following 68-70 hours for the degree:

<input type="checkbox"/>	Major	17-19
<input type="checkbox"/>	College of Sciences Support Work	24
<input type="checkbox"/>	Professional Courses	27

TOTAL HOURS AT UTSA	68-70
----------------------------	--------------

TOTAL HOURS FOR THE DEGREE	133-135
-----------------------------------	----------------

The official source of information on specific courses within the UTSA requirements for this degree plan is the *2002–2004 Undergraduate Catalog*. See page 398 of the catalog or visit the Web site at www.utsa.edu.

Notes

At Northwest Vista College

- ☞ Read the Northwest Vista College catalog course descriptions for prerequisites.
- ☞ Visit with a Northwest Vista College counselor for help with course sequencing.
- ☞ Only 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA.

At UTSA

- ☞ Be sure to visit the College of Sciences Undergraduate Advising Center, Room SB 2.01.08; Phone (210) 458-4045 for assistance with course sequencing.
- ☞ Please note that developmental education, orientation, life experience, high school level, mathematics below the College Algebra level, or vocational-technical courses are not acceptable for transfer credit at UTSA.
- ☞ Although this is a 4-hour course at NWV, due to the 66-hour community college limit, only 3 hours will be used for the degree. Therefore, Biology I laboratory will need to be taken at UTSA.

☞ ***It is very important that students pay close attention to course prerequisite sequencing and availability at both the community college and at UTSA as it will affect the time it takes to complete entire degree program.***

The University of Texas at San Antonio

Transfer Plan for the Bachelor of Science in Multidisciplinary Science (with certification)

2002–2004

We are pleased that you are considering the Transfer Program between your college and The University of Texas at San Antonio. Please remember that the Transfer Plan brochure does not take the place of The University of Texas at San Antonio 2002–2004 Undergraduate Catalog and UTSA Information bulletin. You should also consult the community college bulletin for other requirements and regulations that cannot be listed in this brochure.
