Notes

At San Antonio College

- ☐ Read the San Antonio College catalog course descriptions for prerequisites.
- ☐ Visit with a San Antonio College counselor for help with course sequencing.
- ☐ Only 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA.

At UTSA

- ☐ Be sure to visit with the School of Architecture advisor by contacting (210) 458-4299 for assistance with course sequencing.
- ☐ Please note that developmental education, orientation, life experience, high school level, mathematics below the College Algebra level, or vocational-technical courses are not acceptable for transfer credit at UTSA.

It is very important that students pay close attention to course prerequisite sequencing and availability at both the community college and at UTSA as it will affect the time it takes to complete entire degree program.

Transfer Plan for the Bachelor of Science in Interior Design

2002–2004

We are pleased that you are considering the Transfer Program between your college and The University of Texas at San Antonio. Please remember that the Transfer Plan brochure does not take the place of The University of Texas at San Antonio 2002–2004 Undergraduate Catalog and UTSA Information bulletin. You should also consult the community college bulletin for other requirements and regulations that cannot be listed in this brochure.
