

## South Texas Community College

If the entire core curriculum below is completed at South Texas Community College, then the UTSA Core Curriculum is considered completed. Some options of the components have been omitted, leaving the one or two options most recommended for this degree program.

<input type="checkbox"/>	Composition/ Written Com	ENGL 1301, 1302	6
<input type="checkbox"/>	Speech+	SPCH +1311, +1315, +1318, +1321	3
<input type="checkbox"/>	Mathematics	MATH 2413	4
<input type="checkbox"/>	Natural Sciences	BIOL 1408, 1409	8
<input type="checkbox"/>	Humanities	ENGL 2331, 2321, 2326, 2341; PHIL 1301; 2303, 2306, 2307; HUMA 1301; SPAN 2313	3
<input type="checkbox"/>	Visual and Performing Arts	ARTS 1301, 1303, 1304, 1306; DRAM 1310	3
<input type="checkbox"/>	United States History	HIST 1301, 1302	6
<input type="checkbox"/>	Political Science	GOVT 2301, 2302	6
<input type="checkbox"/>	Social/Behavioral Science	PSYC 2301, 2314; SOCI 1301, 1306, 2301; CRIJ 1301, 1307; SOCW 2361; GOVT 2304, 2389; ANTH 2301, 2351; ECON 2301	3
<input type="checkbox"/>	Computer Science+	COSC +1301, +1309, +1315; BCIS +1332	3
Total Hours to complete Core Curriculum			45

Courses listed with a +sign are Chart II-Institutionally designated. If the ENTIRE core curriculum is not completed at the community college before transferring, these +sign courses will transfer as electives, and student may be required to take other courses at UTSA to satisfy like components.

## South Texas Community College, contd.

In addition, while at South Texas Community College, students should take these courses:

<input type="checkbox"/>	CHEM 1411	4
<input type="checkbox"/>	CHEM 1412	4
★	CHEM 2423	4
★	BIOL 2416	4
<input type="checkbox"/>	PHYS 1401	4

Total hours in addition to Core Curriculum	20
--	----

<b>TOTAL HOURS at South Texas Community College</b>	<b>65</b>
---	-----------

## UTSA

Upon transferring to UTSA, students should complete the following 62 hours for the degree:

<input type="checkbox"/>	Biology courses	39
<input type="checkbox"/>	Chemistry course	1
▲	Free elective courses	17
<input type="checkbox"/>	Physics	4

<b>TOTAL HOURS AT UTSA</b>	<b>61</b>
----------------------------	-----------

<b>TOTAL HOURS FOR THE DEGREE</b>	<b>126</b>
-----------------------------------	------------

The official source of information on specific courses within the UTSA requirements for this degree plan is the *2002–2004 Undergraduate Catalog*. See page 363 of the catalog or visit the Web site at [www.utsa.edu](http://www.utsa.edu).

# Notes

## *At South Texas Community College*

- ☞ Read the South Texas Community College catalog course descriptions for prerequisites.
- ☞ Visit with a South Texas Community College counselor for help with course sequencing.
- ☞ Only 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA.

## *At UTSA*

- ☞ Be sure to visit the College of Sciences Undergraduate Advising Center, Room SB 2.01.08. Phone (210) 458-4045 for assistance with course sequencing.
- ☞ Please note that developmental education, orientation, life experience, high school level, mathematics below the College Algebra level, or vocational-technical courses are not acceptable for transfer credit at UTSA.
- ☞ A grade of "C" or better is required for all major, support, and prerequisite work.
- ☞ Students should not take any biology courses that transfer as Allied Health Sciences (AHS) courses as they will not be used in any way toward the Bachelor of Science degree in Biology at UTSA.
- ★ South Texas Community College has a 1-hour laboratory requirement, whereas UTSA has a 2-hour laboratory requirement. Therefore the deficit of 1 hour will need to be fulfilled at UTSA. See a College of Sciences advisor upon transferring to UTSA.
- ▲ Some community college hours may satisfy the UTSA elective requirement. Check with a College of Sciences advisor upon transferring to UTSA

***It is very important that students pay close attention to course prerequisite sequencing and availability at both the community college and at UTSA as it will affect the time it takes to complete entire degree program.***

## South Texas Community College and The University of Texas at San Antonio

### Transfer Plan for the Bachelor of Science in Biology

2002–2004

*We are pleased that you are considering the Transfer Program between your college and The University of Texas at San Antonio. Please remember that the Transfer Plan brochure does not take the place of The University of Texas at San Antonio 2002–2004 Undergraduate Catalog and UTSA Information bulletin. You should also consult the community college bulletin for other requirements and regulations that cannot be listed in this brochure.*
