<input type="checkbox"/>	Physics	23
<input type="checkbox"/>	College of Sciences Support Work	37

TOTAL HOURS AT UTSA	60
---------------------	----

TOTAL HOURS FOR THE DEGREE	121
-----------------------------------	------------

The official source of information on specific courses within the UTSA requirements for this degree plan is the *2002–2004 Undergraduate Catalog*. See page 422 of the catalog or visit the Web site at www.utsa.edu.

Notes

At Southwest Texas Jr. College

- ☞ Read the Southwest Texas Jr. College catalog course descriptions for prerequisites.
- ☞ Visit with a Southwest Texas Jr. College counselor for help with course sequencing.
- ☞ Only 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA.

At UTSA

- ☞ Be sure to visit the College of Sciences Undergraduate Advising Center, Room SB 2.01.08; Phone (210) 458-4045 for assistance with course sequencing.
- ☞ Please note that developmental education, orientation, life experience, high school level, mathematics below the College Algebra level, or vocational-technical courses are not acceptable for transfer credit at UTSA.
- ☞ There are no free electives in this degree.

Transfer Plan for the Bachelor of Arts in Physics

2002–2004

We are pleased that you are considering the Transfer Program between your college and The University of Texas at San Antonio. Please remember that the Transfer Plan brochure does not take the place of The University of Texas at San Antonio 2002–2004 Undergraduate Catalog and UTSA Information bulletin. You should also consult the community college bulletin for other requirements and regulations that cannot be listed in this brochure.

*University of Texas at San Antonio
Office of Admissions*

☞ ***It is very important that students pay close attention to course prerequisite sequencing and availability at both the community college and at UTSA as it will affect the time it takes to complete entire degree program.***
