

Southwest Texas Jr. College

If the entire core curriculum below is completed at Southwest Texas Jr. College, then the UTSA Core Curriculum is completed. Some options of the components have been omitted, leaving the one or two options most recommended for this degree program.

<input type="checkbox"/>	Communications	ENGL 1301, 1302	6
<input type="checkbox"/>	Speech+	SPCH +1311, +1321	3
<input type="checkbox"/>	Mathematics	Math 2313	3
<input type="checkbox"/>	Natural Sciences	BIOL 1411, 1413	8
<input type="checkbox"/>	Humanities	Soph. Lit; SPAN; PHIL; HUMA; GERM; or COMM	3
<input type="checkbox"/>	Visual and Performing Arts	ARTS, DRAM, MUSI, or DANC	3
<input type="checkbox"/>	Government	HIST 1301, 1302	6
<input type="checkbox"/>	History	GOVT 2301, 2302	6
<input type="checkbox"/>	Social/Behavioral Science	PSYC, SOCI, ECON, ANTH, GEOG or HIST (except HIST 1301, 1302)	3
<input type="checkbox"/>	Computer Literacy+	+COSC/BCIS (BCIS to be taken by students following Business Field of Study Curriculum)	4
<input type="checkbox"/>	Kinesiology+	See below*	
Total Hours to complete Core Curriculum			45

Courses listed with a +sign are Chart II-Institutionally designated. If the ENTIRE core curriculum is not completed at the community college before transferring, these +sign courses will transfer as electives, and students may be required to take other courses at UTSA to satisfy like components.

*Note: In order to progress in the major at UTSA, the student is advised not to complete community college core where indicated. This will allow the student to complete the mathematics and science courses needed to progress in the major once he/she transfers to UTSA.

Southwest Texas Jr. College, contd.

In addition, while at Southwest Texas Jr. College, students should take these courses:

<input type="checkbox"/>	CHEM 1411	4
<input type="checkbox"/>	CHEM 1412	4
★	CHEM 2423	4
<input type="checkbox"/>	PHYS 1401	4
<input type="checkbox"/>	PHYS 1402	4

Total hours in addition to Core Curriculum 20

TOTAL HOURS at Southwest Texas Jr. College 65

UTSA

Upon transferring to UTSA, students should complete the following 61 hours for the degree:

<input type="checkbox"/>	Biology courses	43
<input type="checkbox"/>	Organic Lab course	1
▲	Free elective courses	17

TOTAL HOURS AT UTSA 61

TOTAL HOURS FOR THE DEGREE 126

The official source of information on specific courses within the UTSA requirements for this degree plan is the *2002–2004 Undergraduate Catalog*. See page 363 of the catalog or visit the Web site at www.utsa.edu.

Notes

At Southwest Texas Jr. College

- ☞ Read the Southwest Texas Jr. College catalog course descriptions for prerequisites.
- ☞ Visit with a Southwest Texas Jr. College counselor for help with course sequencing.
- ☞ Only 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA.

At UTSA

- ☞ Be sure to visit the College of Sciences Undergraduate Advising Center, Room SB 2.01.08; Phone (210) 458-4045 for assistance with course sequencing.
- ☞ Please note that developmental education, orientation, life experience, high school level, mathematics below the College Algebra level, or vocational-technical courses are not acceptable for transfer credit at UTSA.
- ☞ A grade of "C" or better is required for all major, support, and prerequisite work.
- ☞ Students should not take any biology courses that transfer to UTSA as Allied Health Sciences (AHS) courses as they will not be used in any way toward the Bachelor of Science degree in Biology at UTSA.
- ★ Southwest Texas Jr. College has a 1-hour laboratory requirement whereas UTSA has a 2-hour laboratory requirement. Therefore, the deficit 1 hour will need to be fulfilled at UTSA. See a College of Science advisor upon transferring to UTSA.
- ▲ Some community college hours may satisfy the UTSA elective requirement. Check with a Sciences advisor upon transferring to UTSA.

It is very important that students pay close attention to course prerequisite sequencing and availability at both the community college and at UTSA as it will affect the time it takes to complete entire degree program.

Southwest Texas Jr. College and The University of Texas at San Antonio

Transfer Plan for the Bachelor of Science in Biology

2002–2004

We are pleased that you are considering the Transfer Program between your college and The University of Texas at San Antonio. Please remember that the Transfer Plan brochure does not take the place of The University of Texas at San Antonio 2002–2004 Undergraduate Catalog and UTSA Information bulletin. You should also consult the community college bulletin for other requirements and regulations that cannot be listed in this brochure.
