Total Hours for the UTSA Core Curriculum completed at the community college			43
Each community college has its own core curriculum that varies from the UTSA core curriculum. If students have completed the community college core curriculum prior to transferring to UTSA, then the core curriculum at UTSA will be considered complete by Texas law and no further core curriculum courses will be required.			
COURSES AT THE COMMUNITY COLLEGE APPLIED TO THE MAJOR			
MATH	2414	Calculus II	4
MATH	2415	Calculus III	4
MATH	2318	Linear Algebra	3
		Electives (courses in Business, Health, Engineering, or Psychology where Statistics is actively applied and properly practiced)	12
TOTAL HOURS FOR THE MAJOR/SUPPORT/ELECTIVES			23
TOTAL HOURS COMPLETED AT THE COMMUNITY COLLEGE			66

Notes for the Community College Student

- Read the Community College catalog for course descriptions and prerequisites.
- Visit with a Community College counselor for help with course sequencing.
- Remember that a maximum of 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA. (Adjustments can be made for courses with lab hours.)
- Pay close attention to course sequencing and availability at the community college, as it will affect the time it takes to complete the entire degree program.
- Be sure to apply for admission to UTSA at least one semester prior to intended transfer term. There are application deadlines, which are found at www.utsa.edu >Future Students>Academic Services>Admissions.

More info on page two about UTSA!

St Philip's College and The University of Texas at San Antonio
 Transfer Plan for the Bachelor of Science in Statistics
 UTSA Undergraduate Catalog 2004-2006

TOTAL HOURS AT UTSA	60
TOTAL HOURS TRANSFERRED FROM COMMUNITY COLLEGE	66
TOTAL HOURS FOR THE DEGREE	126

Notes for the Student at UTSA

- Pay close attention to course sequencing and availability at UTSA as it will affect the time it takes to complete the degree program.
- Visit with an advisor of the major for course sequencing and/or help with resources for academic success, and clarification of college policies and procedures. View the advising directory for current listings at www.utsa.edu/advise/advisors.htm
- Remember that developmental education, orientation, life experience, mathematics below the College Algebra level, and vocational-technical courses are not acceptable for transfer credit in this program at UTSA.
- Refer to the official source of information on specific courses within the UTSA requirements for this degree plan from the *2004–2006 Undergraduate Catalog*. See page 83 of the catalog or visit the Web site at www.utsa.edu.
- Thirty-nine of the total hours required for this degree must be at the upper division level.
- Be sure to visit the College of Business Undergraduate Advising Center, BB 2.02.04, (210) 458-4562.

We are pleased that you intend to transfer to UTSA to complete your degree! This transfer plan ensures that these courses will transfer to UTSA with earned grades of D or higher for this degree program. Please note that some majors require a grade of C or better and this is stated in the UTSA catalog for the particular major.

If you have any questions about community college courses that do not appear on this transfer plan, please contact us at Transfer@utsa.edu. This plan was created from the curriculum listed in the 2004–2006 UTSA Undergraduate Catalog and the community college catalog available at the time of production.

We look forward to seeing you at UTSA!
