## 30/45 SCH Excess Fee Waiver Agreement Requirements for Contract to Graduate

Eligibility for a Contract to Graduate (C2G) is based solely on economic hardship, e.g.: Pell Grant eligibility, work-study,

etc. A C2G consists of this page and your Semester-by-Semester plan. Although specific courses listed on the Contract may change for various reasons, e.g., course scheduling or your choice of electives, etc.; you may not exceed the total number of SCH outlined on your C2G. Steps in the process: (1) Obtain One-Stop Enrollment Center (OSEC) verification, JPL 1.01.04, (2) obtain semester-by-semester plan from your advisor, (3) submit C2G at MS 2.02.24 within 5 business days. NOTE: The Texas Education Code section 54.014 states, "An institution of higher education may charge a resident undergraduate student tuition at a higher rate than the rate charged to other resident undergraduate students, not to exceed the rate charged to nonresident undergraduate students, if before the semester or other academic session begins the student has previously attempted a number of semester credit hours for courses taken at any institution of higher education while classified as a resident student for tuition purposes that exceeds by at least 30 hours the number of semester credit hours required for completion of the degree program in which the student is enrolled." The law allows institutions to adopt a policy that exempts students from the payment of that higher rate solely as a result of hardship as determined by the institution.
