Things to do and remember at the Community College:
- Read the Community College catalog for course descriptions and prerequisites.
- Visit with a Community College counselor for help with course sequencing and availability as it could affect the time it takes to complete the entire degree program.
- Remember that a maximum of 66 transferable semester credit hours from a community college can be applied to a bachelor's degree at UTSA. (Adjustments can be made for courses with lab hours.) Developmental education, orientation, life experience, mathematics below the College Algebra level, and vocational-technical courses are not acceptable for transfer credit.
- Visit with a UTSA Transfer Specialist or email them at Transfer@utsa.edu if you have questions about the transfer plan or UTSA admissions requirements and policies.
- Be sure to apply for admission to UTSA at least one semester prior to intended transfer term. There are application deadlines, which are found at www.utsa.edu >Future Students>Academic Services>Admissions.

Special College Admission Requirements:
Admission to the Bachelor of Business Administration (B.B.A.) majors in the College of Business is competitive and based upon academic performance. Students must be TSI complete to qualify as a pre-business student. Qualified pre-business students must complete a series of courses before they can be evaluated for admittance to the College of Business and officially declare a business major. The newly admitted class is decided by the College each semester and is determined by the available enrollment capacity and grades of the application pool. Therefore, **admission to the UTSA College of Business is not guaranteed**.

To be considered for admission to the College of Business a pre-business student must complete 7 required courses (21 credit hours) of which 5 are business courses **with a minimum of C- or better**. In the semester that a pre-business student completes the five required business courses (15 hours) at UTSA, he/she will be evaluated for admission to the College of Business. This is known as the *15-hour rule* which requires that by the time students complete their 15th business hour, they must have taken the required two nonbusiness courses and the required five business courses from List 1. If any of the required business courses have been completed prior to entering UTSA, students must take additional business courses at UTSA from List 2 in order to meet the 15-hour rule. Students who earn 15 business hours without completing List 1 forfeit their chance to be evaluated for admission to the College of Business and they must choose another major outside of business. See the undergraduate catalog for detailed information on 1) qualifying as a pre-business student, 2) admission requirements to a major in the College of Business, and 3) to view List 1 and List 2 courses for admission to a major in the College of Business.

Things to do and remember upon Admission to UTSA:
- Make an appointment with the academic advisor of the major once accepted to UTSA to clarify department, college and university policies and procedures, to review course sequencing and to help with identifying resources for academic success. A current listing of academic advising centers can be found at the following link: www.utsa.edu/advise/advisors.html.
- Refer to the official source of information on specific courses within the UTSA requirements for this degree plan from the 2015-2016 Undergraduate Catalog or visit the web site at www.utsa.edu.
- Information on Gateway Courses can be found here: http://www.utsa.edu/registrar/students/gateway.html.
- Read the UTSA Undergraduate Catalog and Student Information Bulletin.
- Pay close attention to course sequencing and availability at UTSA as it will affect the time it takes to complete the degree program.

We are pleased that you intend to transfer to UTSA to complete your Bachelors degree. This transfer plan ensures that these courses will transfer to UTSA with earned grades of "D" or higher for this degree program. Please note that some majors require a grade of "C-" or better and this is stated in the UTSA catalog for the particular major.

If you have any questions about community college courses that do not appear on this transfer plan, please contact the transfer specialist at Transfer@utsa.edu . This plan was created from the curriculum listed in the 2015-2016 UTSA Undergraduate Catalog and the community college catalog available at the time of production.
