The initial Alumni newsletter has generated a ton of emails and support for the program. In the last 30 days we have gone from nothing to a group that I am sure I can turn to for support when needed. Thank you for stepping up. We are approximately 1/4 of the way towards our goal for the Bataan Death March and in the purchase of new ROTC shirts. Numbers speak volumes and we have or about to hit some milestones. We started the year at 159 Cadets—the largest in history. 141 will complete the semester. The MS III class currently has 37 Cadets, again the largest on record. At our current pace, UTSA will graduate its 500th 2LT in spring of 2012.

### Campus Based Scholarships
UTSA ROTC is awarding numerous 2, 3 & 4 year scholarships to top students. This year’s awards board meets on 30 & 31 March, 2011. Contact MAJ Carbajal at (210) 458-5607. Or email for details at gregory.carbajal@utsa.edu

### Signs of Success
- 70% of this years Cadets received 1st choice of branch and component (active, reserve, NG).
- 50% of this years class branched Medical Service Corps. A full 5% of this year’s MSC 2LT crop will come from UTSA
- 274 – Average APFT for this years MS III class

### Quality Officers
Know an alumni that is deployed? Contact CDT Martin at mmartin0901@gmail and we will do our best to get them a care package.

### Sandhurst Selection Finalists— Thanks to a strong showing at this year’s Ranger Challenge competition, the team was one of six finalists (out of 36 teams) considered to represent the brigade at West Point’s Sand Hurst competition. Unfortunately Northern Arizona got the final nod.

### Need a guest speaker? We will gladly provide speakers to talk to community groups or local schools about our program.

### Alumini to Speak at Fall 2010 Commissioning (Dec 17, 2010 – 1100 hrs)
