The State Employee Charitable Campaign (SECC) is the volunteer-based workplace giving campaign for State of Texas employees, including state universities and colleges.

The University of Texas at San Antonio participates in the SECC with the coordination of donations managed by the United Way of San Antonio and Bexar County.

UTSA participated in its first SECC Campaign in 1994. The goal of the campaign is to build awareness of agencies that support our co-workers, friends, family and neighbors as well as to give back to the San Antonio community, which has always embraced UTSA with open arms.

Giving through the SECC is easy and convenient. Each fall, we get the opportunity to learn about the charities in the SECC, choose which ones we want to help, and then fill out a pledge form to indicate how much we wish to donate to which groups.

We can make a one-time gift by cash or check. Or, even better, our gift can be deducted from each paycheck.

The campaign runs during October. During this time, you can expect to attend an informational meeting or be approached by a co-worker with information about pledging.

The minimum amount to give to SECC is $3 for one-time gifts by cash or check. There is no minimum amount for payroll deduction.

Through this campaign, UTSA employees can give to any number of local, statewide or national charities.

**Give because:**
- You can help those who are less fortunate through no fault of their own.
- You can support a favorite cause or charity on a regular basis.
- It will make you feel great.
- It’s the right thing to do.

*Your gift ensures that help is there when it’s needed the most.*

$5 a month provides any one of these services:

- Two days of enough diapers for all the babies in an emergency shelter.
- School supplies for 26 at-risk youth so they can start the year off right.
- One and a half days of shelter and services to a victim of domestic violence.
- Fifteen days of companionship for isolated older adults.
- Summer supplies for 10 children enrolled in a child development services program.

Keep a look out for the many events SECC hosts throughout the year!

**Fundraisers:**
SECC Barbeque Lunch

**Activities:**
The Heart Walk is held every February and organized by the UTSA Rowdy New U Wellness Program and the SECC.

United Way

United Way of San Antonio and Bexar County is the largest and most respected private health and human care service organization in Bexar County.

United Way works to improve early care and education for our children, helps students succeed in school, strengthens individuals and families, and provides emergency care.

Meeting the Needs

In 2017:
• 48,111 children and caregivers were touched by United Way’s Ready Children Impact Council initiatives.
• 164,712 students benefited from United Way
• 91,356 residents were supported by the Strong Individuals and Families Impact Council outreach efforts.
• 93,003 people received “safety net” services (food, shelter and emergency care).
• 280,000 civilian and military callers and website visitors were served by the 2-1-1 Help Line through trained, bilingual staff 24/7.

Live United

We have one life...
To live better
we must live UNITED.

United Way fights for the health, education and financial stability for every person in Bexar County.

United. . . we face teen pregnancy and a lack of prenatal care.

United. . . We stand up for the children who are not ready for school.

United. . . we battle for homeless veterans in military cities.

United. . . we confront the struggles of families in crisis.
