Thinking about what you can do the next time we have severe weather?

Join UTSA’s Office of Emergency Management and disaster recovery nonprofit SBP to talk about practical things you can do to protect your family, home and financial future:

- Identifying risks
- Making a family emergency plan
- Protecting important records
- Getting proper insurance coverage
- Property protection

**You will receive UTSA training credit for this class.**

Wednesday, April 26th
9:00am – 10:00am

To join via webinar: Click here to register

To join in person:
UTSA Emergency Operations Center
BOS 1.412
-Space is limited-
RSVP to UTSA OEM, BePrepared@utsa.edu
