*Math score and composite score must come from the same test administration (i.e., can not take math score from first administration and composite from second administration)

MAT 1073 in the fall must be followed by MAT 1093 (or higher) in the spring to meet the UT CAP math requirement. **Under no circumstances should MAT 1073 be taken in the spring.

***MAT 0213 in the fall must be followed by MAT 1043 in the spring to meet the UT CAP math requirement. MAT 0213 will not count for CAP hours. **Under no circumstances should MAT 0213 (or MAT 0203) be taken in the spring.**

If you are not happy with your score on a placement test, you have the option of taking one alternate test of the same type (Alternate Algebra or Alternate Calculus).
