

# Need to take General Chemistry?

Cengage Learning offers an online, self-paced refresher course for students that wish to enroll directly in General Chemistry I (CHE 1103) and need to take the UTSA Chemistry Placement Exam. Access codes may be purchased online for a 3-month access to this course at a cost of \$19.49, which still represents less than 1/10<sup>th</sup> of the cost of enrolling into Basic Chemistry. Codes may be purchased online at <http://owl.cengage.com>. If you have any questions, please contact Dr. Lydia Martinez Rivera by email at [lydia.martinezrivera@utsa.edu](mailto:lydia.martinezrivera@utsa.edu).
