Hold On!

Many of you will have an advising hold placed on your account in February. If you have a 45hr or 90hr hold, UTSA policy requires that you come to the advising center in order to have a semester by semester plan created. Both holds require that you meet with an advisor in an appointment. Please call 210-458-4045 to schedule an appointment.

Announcements

SAS Students!

Be proactive and call us at 210-458-4045 to make a SAS appointment. Tackle your hold early so it does not interfere with your Summer or Fall registration!

Come to the SPRING 2012 STEM Career Expo on Thursday, February 9th from 9:00 a.m. p.m. to 12:00 p.m in the UC III Ballroom

Recruiters from across the science industry will be present with full-time, part-time and internship positions available. Bring plenty of resumes and dress professionally! Log on to your RowdyJobs account to view more details, including a list of employers who will be present at the Expo. (Just to name a few: Futurex, Rackspace Hosting, Southwest Research Institute, USAA, & Union Pacific)

Never been to a career fair? No problem. Attend a workshop on “How to work a Career Fair” on Monday, February 6th from 3-4pm or Wednesday, February 8th from 11am-12pm in the UC 2.02.04 and learn what to wear, what to say, how to network, and other helpful tips. (To register for these events, please log on to your RowdyJobs account and go to “career events”)

Focus on Advising: Two new ways to get advising on the go.

We've gone mobile! The COS Advising Center is happy to announce the launch of a new advising website dedicated to mobile devices such as smart-phones. To view scan (or click on) the QR code to left for more convenient access. Please bookmark us! Our new site is streamlined, simple to use and packed full of vital information.

The url is <http://utsa.edu/cos/advising/mobile.html>

We have also launched a new College of Sciences Undergraduate Advising Center blog for students. Each week a member of our expert staff will provide timely advice and information in a clear and easy to understand way. It is the best way of staying up to date when it comes to holds, important deadlines and other vital information.

If you need information specific to your particular situation you always welcome to email us at cosadvising@utsa.edu
