RCMI BioPhotonics Core Policies Acknowledgment Form

I, ________________________, have read and accept the RCMI BioPhotonics Core Policies. These policies are available to me online at http://utsa.edu/crts/rcmi-biophotonics/policy.html, are posted in the Daily Usage Log, and also posted in each confocal room (BSE 3.110D-510; BSE 3.110E-710). Each publication, press release, or other document about my research supported by the RCMI Biophotonics Core facility must include an acknowledgment of NIH award support such as “Research reported in this publication was supported by the National Institute on Minority Health and Health Disparities of the National Institutes of Health under Award Number G12MD007591.”

By signing my name below, I have accepted the terms of the policies stated and understand I am responsible for any penalties that may ensue as a result of any deviation from these guidelines.

________________________       ______________________       __________
Printed User Name             User Signature                 Date

________________________       ______________________       __________
Principal Investigator (Print) PI Signature                 Date

________________________       ______________________       __________
Core Manager (Print)           Core Manager Signature       Date
