HYDROLOGY
(ALL ABOUT WATER)

Water is all around us. It’s in lakes, rivers, and creeks. There is also water hidden beneath our feet in underground aquifers. Here in San Antonio, we use the Edwards Aquifer for drinking water, to water crops, and to help run industries. Groundwater is very important to all of us, but did you know that there are a lot

Come discover the unique underground water systems in Bexar County as we learn about groundwater, water cycles, drinking water, and the unique creatures that live in the Edwards Aquifer. We encourage our

Summer 2019 Schedule

- July 29th-August 2nd OR August 5th-9th 8:00AM-4:00PM
- Drop-off 7:30 AM-8:00 AM Pick-up is at 4:00 PM (Additional charges apply for campers picked up after 5:00 PM)
- Camp will be held at UTSA’s main campus in MS 3.02.52

The cost of each camp is $230. We do offer a 10% discount to UTSA employees and students. Cash or checks are accepted. Payments can dropped off at FLN 4.02.36. Payments should be made out to UTSA. Any money owed must be paid before the camp begins.

Please submit application to Cheryl Negrete at cheryl.negrete@utsa.edu (210-458-5168), or Julian Chavez at julian.chavez@utsa.edu (210-458-7097).

Application can be found at: http://www.utsa.edu/crts/usfs19/camp.html
