■ What Is TOP Group? ■

Top Group is a specialist recruiting company that works with Japanese-related businesses throughout the United States. We have been a leader in our field since we were established in 1992. We work with a variety of different industries, including: financial, IT/computing, manufacturing, and trading. These global businesses, with offices spread across continents, are widely recognized names in their fields. We have offices in New York, Chicago, Atlanta, Los Angeles, San Francisco, and our new branch is opened in Texas in August 8th, 2011. TOP Group works with companies from coast-to-coast.

■ What TOP Can Do for You! ■

The companies we have connections with are looking for qualified candidates that are bilingual in English and Japanese for a wide variety of positions, of which many are entry-level. We present available career opportunities to you, applicants, for your future career. We also will work with the applicants to give them information about the job market and how to make the most of starting their careers by helping out with the process of writing a resume, interviews, visa information, business manner, and more.

■ NO Fee for Life-Changing Services. ■

Don't waste your time looking for a job when it could be the other way around. Through TOP, you will be the one who will be looked at for every position that becomes available. Our purpose is to assist our client companies to find the best candidates for their available positions. The process is effortless and there will absolutely no charge to applicants for this beneficial service.

■ Put Your Japanese Skills to Work!! ■

By using our service, you will be given the opportunity to work for a Japanese company. Even though it is recommended that you are proficient in both Japanese and English, everyone will be accepted and have a great chance to thrive through TOP. We strongly encourage those with business-level language ability in both languages to apply. (Business level in Japanese would require a minimum of 日本語能力試験 N3 レベル Japanese Language Proficiency Test Level N3. www.jlpt.jp)
