Workshop Description:
The objective of this AP Spanish Language institute will focus on the format and content of the latest AP Spanish Language and Culture Exam. It will consist of a thorough overview of the new exam including and not limited to the 6 themes and essential learning skills for a successful AP program. This is an activity-based approach that will provide participants with useful strategies and activities for not only developing but maintaining a successful AP program. Additional topics include applying the new rubrics, and integrating other important components such as literature, music, culture videos and online resources.

What Participants Should Bring:
Please bring with you copies of your favorite activity, project, video, or ancillary materials to share with other participants on the last day. If you have a favorite and successful unit of study pertaining to the new format please bring 25 copies to share with classmates. Please bring lots of sticky notes and a couple of highlighters.
