Your application was selected for review in a process called "verification". In this process, UTSA will be comparing information from your FAFSA application with **signed copies of your and your parents 2007 federal tax forms**. The law states we have the right to ask you for this information before awarding federal aid. If there are differences between your application information and your financial documents, we may need to send in corrections on your Student Aid Report (SAR) and have a new SAR processed. Failure to submit the required documentation will delay processing of your file.

What you should do:

1. Collect you and your parents' financial documents (**copies of all 2007 signed income tax forms and copies of all 2007 W2's**)
2. Talk to your financial aid counselor if you have questions about completing this worksheet.
3. **Complete** and **sign** the worksheet - you and your parents.
4. Take the completed worksheet, tax forms, and any other documents your school needs to Enrollment Services.

Please submit all documents at the same time, and write your name and Student ID at the top of every document. Documentation may be submitted in person at the Enrollment Services counter, via U.S. mail, or at our drop box location. Documentation submitted via FAX cannot be accepted and the documents will have to be resubmitted.

UTSA will compare information on these documents. We may need to make corrections on your SAR and send it back to the application processor.
**UTSA must review the requested information, under the financial aid program rules (34 CFR, Section 668)*
