Parents(s)/Stepparent(s) may use this form to report changes that have occurred since filing the 2008-2009 Free Application for Federal Student Aid (FAFSA). After completing all 5 steps of this form, please return it along with all required supporting documentation to the Office of Student Financial Aid and Enrollment Services.

Please submit all documents at the same time, and write your name and Student ID at the top of every document. Documentation may be submitted in person at the Enrollment Services counter, via U.S. mail, or at our drop box location. Documentation submitted via FAX cannot be accepted and the documents will have to be resubmitted.

STEP 1: VERIFICATION

As part of the special circumstance process your financial aid application will be reviewed in a process called "verification". In this process, UTSA will be comparing information from your FAFSA application with **signed copies of your and your parents' 2007 federal tax forms**. The law states we have the right to ask you for this information before awarding federal aid. If there are differences between your application information and your financial documents, we may need to send in corrections on your Student Aid Report (SAR) and have a new SAR processed. Failure to submit the required documentation will delay processing of your file.

Required Documentation:

- **Copies of all 2007 signed income tax forms and copies of all 2007 W2's** for the parent and student.

UTSA will compare information on these documents. We may need to make corrections on your SAR and send it back to the application processor. *UTSA must review the requested information, under the financial aid program rules (34 CFR, Section 668)*

A. Family Information

Dependent Students: List the people that your parents will support between July 1, 2008 and June 30, 2009. Include yourself, your parents, and your parents' dependent children (if your parents provide more than half support, or if they would be required to give parental information when applying for federal student aid).

Include other people as part of your family only if:

- They lived with your parents and got more than half their support from your parents at the time you completed your student aid application, AND
- They will continue to get more than half their support from July 1, 2008 through June 30, 2009.

Write the names of all family members. Also write in the name of the college for any family member who will be attending college at least half-time between July 1, 2008 and June 30, 2009, and will be enrolled in a degree or certificate program. If you need more space, attach a separate page.
