IMPORTANT! Please ensure you have an approved Alternative Loan before completing this form.

Please note that UTSA Student Financial Aid and Enrollment Services strongly encourage you to apply for Federal aid by completing the Free Application for Federal Student Aid (FAFSA) at http://fafsa.ed.gov. You should consider your options for Federal and State financial aid programs before applying for an Alternative Loan. Federal student loans usually provide better interest rates/terms and greater flexibility in repayment options compared to Alternative Loans.

UTSA does not recommend any specific lenders for Alternative Loans. UTSA does not have a preferred lender list or a preferred lender arrangement with any lender. We do recommend you compare loans from several lenders to find the best interest rate/terms and repayment options for your situation.

Below is a link to Student Lending Analytics, an independent research and advisory firm that has no affiliations with any student lenders. It serves only as a starting point in your Alternative Loan search.
