Admission to Professional Level in Feik School of Pharmacy

Minimum eligibility is 2.5 overall GPA from all colleges and universities attended and 2.5 GPA in all science/math prerequisite courses. All prerequisite coursework must be completed prior to entry into the professional program. However, the average GPA of accepted students is **significantly** higher. Selected candidates will be invited for a required, on-campus interview.

Pharmacy College Admission Test (PCAT) Requirement

Prospective students can visit www.pcatweb.info for appropriate application, testing dates and payment deadlines. The UIW site is # 0705 and students should submit their score to PharmCAS site #0104.

PharmCAS Application Requirement

For an application to be processed, both the PharmCAS application and the supplemental UIW-FSOP application must be completed and submitted by the deadline. Incomplete or late applications will not be considered. For more information on PharmCAS, please see the site at www.PharmCAS.org. Please see the UIW Pharmacy website for deadline details.

Pharmacy Observational Experience Requirement

A pharmacist-signed affidavit of completed 80 hours of pharmacy observational experience is required for entrance into the professional program. Although the documentation of pharmacy observational experience is not required as part of the application packet, it is encouraged. Receipt of the documentation of these hours is required in the Pharmacy Admission Office by August 1 for the incoming class. All documentation must be kept on a specified form also available on the school's website.
