

We Have A College Tuition Game Plan

The **Texas Tuition Promise Fund® (TTPF)**, the state's prepaid 529 college tuition plan, allows families to lock in today's prices for tomorrow's tuition and school-wide required fees at Texas public colleges and universities. Tuition units purchased in the plan may be used for all or a portion of these costs, and our flexible payment options fit almost any budget.

Enroll in the plan at any time between **Sept. 1 and Feb. 28 (Feb. 29 in leap years)**. Enrollment for children younger than one year old extends through July 31.

Use our online Tuition Planning Calculator to explore the flexibility of the plan. You can compare tuition unit types and payment plans to find the best option for you.

Establish an account by paying a \$25 administrative fee and purchasing one tuition unit of any type.

The easiest way to open an account is to enroll online at **TuitionPromise.org** or visit the website to download or order an enrollment kit. You can also call **800-445-GRAD (4723)**, option #5, for more information.

After you open an account, you can establish payroll deduction by visiting **TuitionPromise.org** and downloading the Employee Payroll Deduction Form under Forms & Materials. Submit the completed form to your UTSA benefits manager.

Purchasers should carefully consider the risks, administrative fees, service and other charges and expenses associated with the contracts, including Plan termination and decreased transfer or refund value. The Plan Description and Master Agreement contains this and other information about the Plan and may be obtained by visiting the website or calling the 800 number above. Purchasers should read these documents carefully before purchasing a contract. Only

the purchaser may direct rollovers, contract changes, withdrawals and changes in the designated beneficiary. Participation in the Texas Tuition Promise Fund does not guarantee admission to or graduation from any college or university.
