

Employee Request to Transfer Sick Leave Hours to Sick Leave Pool

An employee may transfer any or all of his/her sick leave balance to the Sick Leave Pool. However, contributions to the pool may not be designated for the use of a particular employee.

Please read the items below to ensure you understand how the transfer of hours from your employee leave record will affect your leave record during your current employment at UTSA and in your future at UTSA, UT and/or any State of Texas agency.

- I understand the number of hours shown below will be deducted from my present accrued sick leave balance and transferred into the UTSA Sick Leave Pool.
- I understand that all donations are irrevocable and that the hours I donate will not be restored, if I return to work to UTSA, any UT Component or Texas State Agency.

I understand, if I am a Teacher Retirement of Texas (TRS) participant, and should I retire with UTSA, the number of hours donated cannot be used to purchase creditable membership years of service towards my retirement benefits.

Complete this form and submit to your HR Leave Administrator for their review and reconciliation of your leave record to ensure that your leave balance supports this request.
