

Our Promise to You:

The ICE Center will be a safe space for our community members.

The ICE Center will be a resource in support of your educational and leadership goals.

The ICE Center will help build community both on and off campus.

The ICE Center will develop programs and services that facilitate individual transformation of students into graduates who are committed to creating global change.

The ICE Center will provide opportunities for community members to engage in volunteer and social justice activities that promote intercultural learning and learning through service.

Inclusion and Community Engagement Center
