Courses Taught at UTSA

The courses taught information comes from the Coordinating Board Course Report (CBM004) which is certified by the state. The Course level comes from the Course Inventory. For each section the number of courses offered, the number of students enrolled, and the number of semester credit hours generated are included. The section on college comes from the subject of the course based on the course inventory.

The data in the Fact Book are based on reports certified by the Texas Higher Education Coordinating Board. For more information about self-supporting degree programs please contact the Office of Institutional Research at (210) 458-4706.
