# About The University of Texas System

For more than 130 years, The University of Texas System has been committed to improving the lives of Texans and people all over the world through education, research and health care.

The University of Texas System is one of the nation's largest systems of higher education, with 14 institutions that educate more than 217,000 students. Each year, UT institutions award more than one-third of all undergraduate degrees in Texas and almost two-thirds of all health professional degrees. With about 20,000 faculty – including Nobel laureates – and more than 70,000 health care professionals, researchers student advisors and support staff, the UT System is one of the largest employers in the state.

The UT System ranks third in the nation in patent applications, and because of the high caliber of scientific research conducted at UT institutions, the UT System is ranked No. 1 in Texas and third in the nation in federal research expenditures. In addition, the UT System is home to three of the nation's National Cancer Institute Cancer Centers – UT MD Anderson, UT Southwestern and UT Health Science Center-San Antonio – which must meet rigorous criteria for world-class programs in cancer research.

## Courses Taught at UTSA

The courses taught information comes from the Coordinating Board Course Report (CBM004) which is certified by the state. The Course level comes from the Course Inventory. For each section the number of courses offered, the number of students enrolled, and the number of semester credit hours generated are included. The section on college comes from the subject of the course based on the course inventory.

The data in the Fact Book are based on reports certified by the Texas Higher Education Coordinating Board, they do not include students enrolled in self-supporting degree programs. For more information about self-supporting degree programs please contact the Office of Institutional Research at (210) 458-4706.

## **First Time Undergraduate Student Applications**

The Applied, Accepted, and Enrolled information comes from the Coordinating Board Admissions file (CBM00B), this file contains only the Summer and Fall applications for each year. Only students who have never applied at the level are included in this information. Enrollment is based on the fall semester, in prior years it had been based on the student applied for. Note that although many new students enter UTSA each year only students who are first time students seeking a degree at UTSA are included in the Cohort for graduation and retention information. For more information on this topic please contact the Office of Institutional Research at (210) 458-4706.

## **Transfer Undergraduate Student Applications**

The Applied, Accepted, and Enrolled information comes from the Coordinating Board Admissions file (CBM00B), this file contains only the Summer and Fall applications for each year. Only students who have never applied at the level are included in this report. Enrollment is based on the fall semester, in prior years it had been based on the student applied for. Note that although many new students enter UTSA each year only students who are first time students seeking a degree at UTSA are included in the Cohort for graduation and retention information. For more information on this topic please contact the Office of Institutional Research at (210) 458-4706.

## **First Time Masters Student Applications**

The Applied, Accepted, and Enrolled information comes from the Coordinating Board Admissions file (CBM00B), this file contains only the Summer and Fall applications for each year. Only students who have never applied at the level are included in this report. For instance if a student applied at UTSA in a prior semester at the master's level they would not be included in the master's level report. If a student applies at both the master's and doctoral level they would be counted at each level. Enrollment is based on the fall semester and the level the student enrolled at. The Coordinating Board also only includes only one application per student per level whereas other reports use every complete application submitted.

For more information on this topic please contact the Office of Institutional Research at (210) 458-4706.

## **First Time Doctoral Student Applications**

The Applied, Accepted, and Enrolled information comes from the Coordinating Board Admissions file (CBM00B), this file contains only the Summer and Fall applications for each year. Only students who have never applied at the level are included in this report. For instance if a student applied at UTSA in a prior semester at the master's level they would not be included in the master's level report. If a student applies at both the master's and doctoral level they would be counted at each level. Enrollment is based on the fall semester and the level the student enrolled at. The Coordinating Board also only includes only one application per student per level whereas other reports use every complete application submitted.

For more information on this topic please contact the Office of Institutional Research at (210) 458-4706.

## Race/Ethnicity Reporting Changes

As of Summer 2010 a new Race/Ethnicity reporting schema has been adopted based on Federal requirements. Faculty now have the choice to identify multiple races on the forms collected by the University of Texas at San Antonio. This information is stored as the faculty member has selected, however for reporting purposes a single category has been used. If a faculty member was an International faculty member they would be assigned the International category. If a faculty member is Hispanic, regardless of race indicated, they were assigned to the Hispanic category. Faculty members who chose multiple races were assigned to the Two or more races category. Finally faculty members who chose only one race were assigned to the race category they had chosen. If a faculty member was not International, not Hispanic and did not chose any Race category they were assigned to the Unknown category. In addition to this update the former Asian/Pacific Islander category has now been separated into two categories, one is Asian and the other is Native Hawaiian or Pacific Islander.

<b>New Category</b>	<b>Old Category</b>
White	White Non-Hispanic
Black or African American	Black Non-Hispanic
Hispanic	Hispanic
Asian	Asian or Pacific Islander
Native Hawaiian or Other Pacific Islander	Asian or Pacific Islander
American Indian or Alaskan Native	American Indian or Alaskan Native
