Application Form for “Minority Opportunities for Research Experiences in Earth/Environmental Sciences and Environmental Engineering” Program

Student must be U.S. citizen or permanent resident to apply
(Application Due Date: Friday, December 1, 2017, 5:00 pm)

(For detail information about the program and downloading the form, please check http://www.utsa.edu/lrsg/MORESE/)

Please type or print clearly

Name: ___________________________ Banner ID: ___________________________

Mailing address: ___________________________

E-mail address: ___________________________

Please indicate courses (course number and name) related to Geology, Environmental Science, and Civil and Environmental Engineering that you have taken:

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

Any experience (field work, job experience, etc):

____________________________________________________________________________
____________________________________________________________________________
____________________________________________________________________________

Class_________________ (freshman, sophomore, junior, or senior), and
Expected graduation date: ___________________________

Check any of the following groups to which you belong:

_____ American Indian
_____ Native Alaskan
_____ African-American
_____ Pacific Islander
_____ Hispanic

By submitting this form, I certify that the information I have supplied is accurate.

____________________________________        ______________________________________
Signature                                                               Date
On a separate sheet, please provide a concise description of your background in Geology, Environmental Science, and/or Civil and Environmental Engineering, career goal, and financial needs. Describe your interest(s) and/or faculty member(s) relative to the projects that are available through the program at UTSA at http://www.utsa.edu/lrsq/MORESE/. Please limit your narrative to one single-spaced page.

A complete application consists of

1. a completed application form,
2. a one-page narrative of your interests,
3. a one-page current resume, and
4. an unofficial copy of your college transcript.

Please submit your complete application to Laurie Gay, Department of Geological Sciences, FLN 4.02.08 the latest by Friday, December 1, 2017 at 5:00 pm. Late applications and minority graduate students will be considered on a space available basis.
