

# Application Form for MORE Science Research Program, Summer 2008

(Due 28 February 2008)

(For detail information about the program and downloading the form, please check

<http://www.utsa.edu/lrsg/MOREScience/>)

Please type or print carefully and attach additional sheets if necessary.

---

**Name:**

**Mailing address:**

**E-mail address:**

**Telephone number:**

---

**Indicate which of the following courses you have taken (note: not all are required):**

\_\_\_\_\_ GEO 1103—Earth Systems

\_\_\_\_\_ GEO 1123—Earth History

\_\_\_\_\_ GEO 4063—Principles of Environmental Geology

\_\_\_\_\_ GEO 4113—Geomorphology

\_\_\_\_\_ ES 2013 or 2023—Introduction to Environmental Systems I or II

\_\_\_\_\_ ES 2113 or 4043—Introduction to Geographical Information Systems (GIS)

\_\_\_\_\_ ES 4093—Remote Sensing

**Please indicate courses in math, physics, chemistry, and computer science you have taken:**

---

---

---

**Computer programming experience:**

---

---

---

**Computer software experience:**

---

---

---

**Other related experience (field work, job experience, etc):**

---

---

---

---

---

---

---

**Awards, honors and other information you feel may be useful to us in considering your application:**

---

---

---

---

---

---

---

**Expected graduation date:** \_\_\_\_\_

---

**Check any of the following groups to which you belong:**

- American Indian
- Native Alaskan
- African-American
- Native Pacific Islander
- Hispanic
- White

---

By submitting this form, I certify that the information I have supplied is accurate.

Signature

\_\_\_\_\_  
Date

**On a separate sheet, provide a concise description of your Earth science background. Describe your interests relative to the projects that are available through MORE Science at UTSA. Indicate where you would prefer to work (UTSA or SWRI in San Antonio, UT-El Paso, UT-Austin, or TSU-San Marcos). State how participation in the program will benefit your academic training and how it will further your intended professional career. Please limit your narrative to 1, single-spaced, page.**

**Also, please attach a current resume, a copy of your college transcripts, and letters of recommendation from two scientists familiar with your work.**

**A complete application consists of**

1. a completed application form (pages 1 and 2 of this document),
2. a one-page narrative of your interests in Earth and Environmental Sciences,
3. a one-page resume,
4. a copy of your college transcript, and
5. letters of recommendation from two scientists familiar with your work.  
Recommendation letters should be returned to applicants in signed, sealed envelopes and submitted with the other parts of the application.

**Complete applications are due by 28 February 2008, and should be submitted to the department office at SB 4.03.30. Late applications and applications from non-minorities or from graduate students will be considered on a space available basis.**
