For your information from the UnitedHealthcare web site:

"There are assistance programs available to uninsured students but most have strict income guidelines that you must meet before becoming eligible for help." Some programs will only provide help for certain services.

For Parents: "Depending upon your employer-provided plan, your child may "fall off" the plan as a dependent when they reach age 19, 21 or 23. Benefits may stop even earlier if their student status changes from full to part time."

Childcare

The UTSA Child Development Center provides child care services for UTSA students, staff, and faculty. The Center is licensed by the Texas Department of Family and Protective Services and accredited by National Association for the Education of Young Children. The Center is a Child Care Delivery Services vendor. A waiting list may exist.	\$417 to \$458	per month
