Allow Additional Attempts for an Assignment

If a student has submitted the maximum number of attempts for an assignment, you can allow an additional attempt. In the Grade Center, access a cell's contextual menu and click View Grade Details.

Allow Additional Attempt only appears if a student has already submitted the maximum number of attempts allowed for that assignment. You can continue to offer opportunities to resubmit attempts each time a student reaches the maximum number. You do not have to grade previous attempts to allow a student to submit again.

Alternatively, click Ignore Attempt to ignore the attempt's score in grade calculations and not count it against the maximum number of attempts.
