Deploy a Test or Survey in a Content Area

Before you can deploy a test or survey, you need to create it and add questions.

1. **Navigate** to the course area where you want to add a test or survey.
2. On the action bar, point to **Assessments** and click **Test** or **Survey**.

3. Select a **test** or **survey** from the **Add Test** or **Add Survey** list.
4. Click **Submit. See Test and Survey Availability Options**.

How to Make a Test or Survey Available

After you deploy an assessment in a course area, you set test and survey availability.

1. On the **Test Options** or **Survey Options** page, click **Yes** to **Make the Link Available** to users. Use the **Display After** and **Display Until** fields to limit the amount of time the link appears.
2. Set the availability, feedback, and presentation options (See Test and Survey Availability Options) for a test or survey.
3. Click **Submit.**
