

E-mail for the iPhone

Setting up your iPhone to access UTSA Exchange e-mail

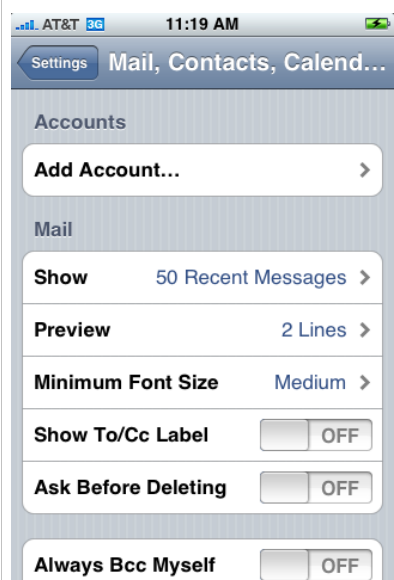

1. On the iPhone main menu, select the **Settings** icon.

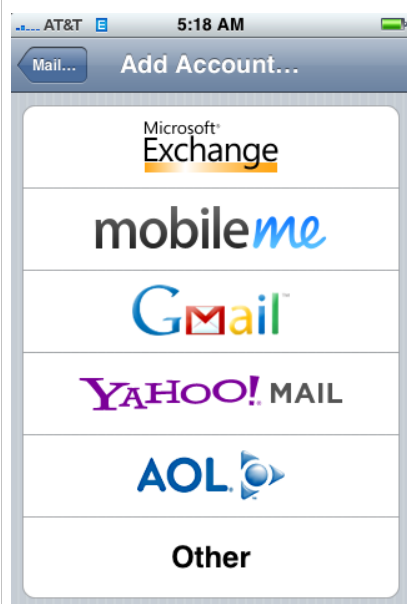

2. Select **Mail, Contacts, Calendars**

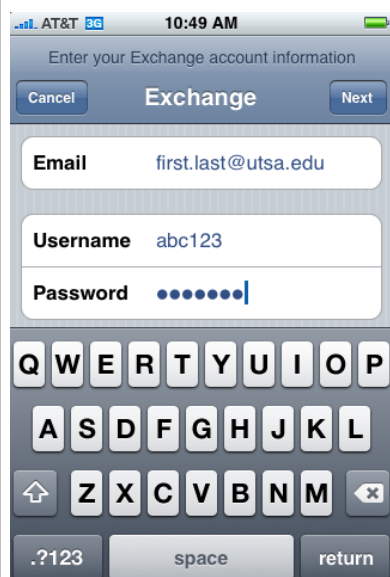

3. Select **Add Account...**

4. Select **Microsoft Exchange**

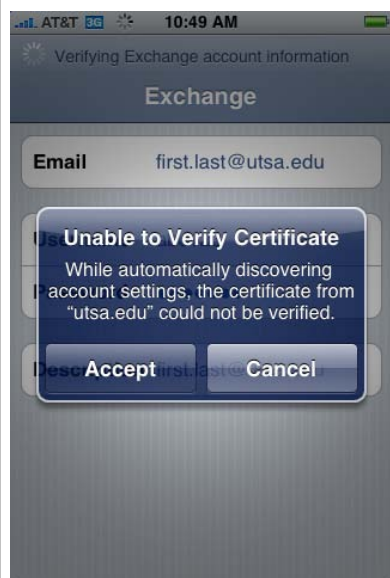

5. Enter your Exchange account information – use your UTSA network ID information, then choose <Next>.

6. After you enter your information, you will get this screen:

7. When you receive the Unable to Verify Certificate screen, you must choose **Accept**.

8. You must overwrite the default Server information. Enter **email.utsa.edu** and choose **Next**.

9. Finally, click **Save** to synchronize your Mail, Contacts and Calendars.
