Every year, too many children start the school year without the tools they need to succeed — school supplies. UTSA’s Class of 2019 is determined to help change that by teaming up with Communities In Schools of San Antonio! Their Stuff The Bus School Supply Drive helps thousands of at-risk students and their families throughout San Antonio.

**Participating is as easy as 1, 2, 3…**

1. Bring 1 (or more) new school supply item(s) to your orientation
2. Drop items in designated collection bins at check-in
3. Feel like a true roadrunner knowing you made a difference
