Blueprint UTSA
Original Blueprint Goals & Pillars

**Goal 1:** We will transform *students* into successful scholars, global citizens and leaders.

**Goal 2:** We will create scholarly work and *research* that significantly impact society.

**Goal 3:** We will enrich the quality of life and economic prosperity of the *communities* we serve.

**Goal 4:** We will deliver world-class support and *infrastructure* commensurate with a Tier One institution.

**Goal 5:** We will achieve *recognition and esteem* as a premier public research university.

As a learning and research enterprise and next generation Hispanic-Serving Institution, UTSA will foster innovation and creative discovery by channeling our expertise into tackling critical societal issues of today and tomorrow. Cultivating a research-intensive environment where underserved students can thrive results in prosperity and opportunities for all. Transdisciplinary discovery and continuous reinvention will fuel corporate and foundational partnerships, allowing us to leverage UTSA’s scholarly impact for the betterment of our world. Adopting a HSI-Carnegie R1 excellence model will propel UTSA to a new level of distinctiveness.
UC Irvine's rare distinction: It's an elite research university that's a haven for Latinos
Great cities need great universities and great universities need great cities. San Antonio serves as a living laboratory for learning, discovery and engagement, providing opportunities for experiential learning, cradle to career education and developing leaders for tomorrow. Active engagement with San Antonio’s educational and health care systems, business communities, military, cultural establishments and governmental entities will solidify UTSA’s role as a driver of San Antonio’s cultural and economic ecosystem.

San Antonio is a **multicultural**, large city that serves as a **portal to the Americas and the world**. By building on our deep ties to Mexico and Latin America, we will bring some of the world’s greatest minds to UTSA, expanding **global partnerships and learning opportunities** for our students. As we prepare students to be thoughtful, engaged and **world-ready citizens**, we will take advantage of San Antonio’s unique global position. Our students will receive the **intercultural knowledge** they need to succeed as future leaders.

- International Middleweights
Universities can only achieve greatness through the cumulative intellectual talent of their students, faculty and staff. Claiming areas of distinction as an institution hinges on the quality of our people. Our role as a driver of San Antonio’s knowledge economy requires that we grow the talent of our people, and continue to recruit world-class thought-leaders, researchers, teachers and mentors. In order to reflect the community we serve, we will emphasize increasing the diversity of our leadership, faculty and staff.

All of our aspirations require effective and efficient solutions to resource utilization and infrastructure management. We will integrate innovative approaches and best practices to ensure our operational processes align with our goals, demonstrating nimbleness as an organization. This will require pursuit of new revenue streams, adoption of performance based budget models, monetization of our real estate assets and exploration of ways to reduce the financial debt burden on our students.
