Parking and Direction Instructions

**Be sure to read below for essential parking information and directions on how to get on to campus. Remember to plan for SA traffic! **

FRIDAY, FEBRUARY 25, 2010

BEFORE 2PM: All visitors will have to park in metered spaces or the parking garage located on Edward Ximenes. Both locations have the same rate of \$1.25 per hour.

METERED SPACES: Spaces are located directly in front of the Recreation Center (RWC) in parking lot 5. They are numbered on posts located on signs. Parking meter to pay for the spots is located at the south entrance of the Recreation Center. Please remember your space number when paying for metered space. Credit Cards and cash are accepted. SPACES ARE LIMITED.

PARKING GARAGE: South Parking Garage is located on Edward Ximenes. Edward Ximenes is located east of the Recreation Center and can be accessed on the south side of the campus. From the north side, you may enter campus on Walter Brennan Drive, follow the road to the stop sign and turn left on Brackenridge. The road will direct you to a parking lot where the garage is located.

AFTER 2PM: Visitors may park for free in any UNMARKED parking space in the parking lot between the south entrance of the Recreation Center and the road (Brackenridge). A space is "marked" if there is a marking on the ground per space. PLEASE DO NOT PARK IN THE PAY SPACES UNLESS YOU INTEND TO PAY.

SATURDAY, FEBRUARY 26, 2010

Visitors may park in any UNMARKED parking space on the campus for free. A space is "marked" if there is a marking on the ground per space. It is best to park in parking lot 5 in front of the Recreation Center or in parking lot 10A located to the west of the Recreation Center. PLEASE DO NOT PARK IN THE PAY SPACES UNLESS YOU INTEND TO PAY.

PLEASE NOTE: From 7a-3p, parking will be at a premium as UTSA hosts our 5K Diploma Dash and the Girls UIL Basketball Region IV Final.

The Diploma Dash is a City Championship and attracts around 1100 runners and many supporters. The race begins at 9am and should end by 10am. Teams should avoid the Walter Brennan & Edward Ximenes Entrances from 8:30a-10:30a.

The Girls UIL Basketball Region IV Final will be played at the Convocation Center which is adjacent to the Recreation Center. The game is scheduled for 12p.

BE PREPARED TO ARRIVE AND PARK VERY EARLY AS YOU MAY HAVE TO PARK AWAY FROM THE RECREATION CENTER. Please enter the campus on the south side from UTSA Blvd to the entrance located between University Oaks Phase II and Phase III.

As the day progresses, it will be easier to enter from the north on Walter Brennan but please be prepared to enter the south as necessary. It will also be easier to park nearer the Recreation Center.
