Student Organization Handbook
PURPOSE OF STUDENT ORGANIZATIONS

The purpose of student organizations is to provide students with opportunities to participate in activities that develop their intellectual, emotional, spiritual, physical, and professional abilities. These organizations are important components to the academic life of the University. To meet all the different developmental needs of students, UTSA offers a multitude of student groups covering the following areas: academic, professional, religious, political, general social Greek, honor, military, service, cultural, special interest club sports, and recreation. Every student is encouraged to become a member of those organizations that appeal to their interest.

Involvement in student organizations:

- Improve students’ interpersonal skills
- Give students a greater satisfaction with their college experience
- Provide useful experience in obtaining a job and providing job related skills
- Develop lifelong values of volunteerism and service to others
- Has a positive influence on skills in leadership, communication, teamwork, organizing, decision-making and planning

DEFINITIONS

Student Organization: A separate, independent entity from the University whose membership is composed of UTSA students, or a combination of students, faculty, and staff; which has complied with the registration procedures to be officially registered (granted approval to operate on campus) by the University.

Academic Requirements: A student leader must meet the following academic requirements:
1. Have at least a 2.25 UTSA cumulative GPA (3.0 for graduate students) prior to the first day of each semester (fall and spring) during the term of position.
2. Be in good scholastic status with the University at the time of selection and during the term of position.

Categories: Student organizations are divided into thirteen categories according to their purpose. The categories are described below.
- Academic: further study, discuss or experience an academic course, major or field, through lectures, field trips, meetings or other related activity.
- Club Sports: participate formally, through competition against other schools, in recreation or sports activities.
- Co-Ed Professional Fraternity: National or International fraternities (co-ed). Members are from a specific field of professional study or common interest.
- Cultural: celebrate and support the interest of one or many different cultures, races or ethnicities.
- Honor: organizations typically affiliated with a specific academic major, department, or campus activity.
- Military: pursue special interest in military issues.
- Political: promote affiliation with a political party or support one or many various political issues.
- Professional: pursue mutual career goals and prepare for the professional world.
- Religious: celebrate and support the interests of one or many different religions or religious studies.
- Service: provide volunteer community service and philanthropy to the UTSA community.
- Social Greek: social Greek organizations organized under one the Greek Governing Councils at UTSA
- Special Interests: pursue special interests pertaining to lifestyle, socializing or societal issues.
- Sports and Recreation: participate informally in recreational or sport activities.

Sponsored Student Organization: A registered student organization created by, or in conjunction with, a University department to support the ongoing interests of the University community. A sponsored student organization supports the mission of its aligned University department and promotes departmental initiatives. A sponsored student organization has an advisor that is paid by the University to specifically advise the organization. Sponsored student organizations may receive funding and are subject to the appropriate university and departmental guidelines, policies and protocols. To be considered a sponsored student organization, the student organization must complete the process outlined in the Student Organization Relationship Statement, Section 3.3.

Student Organization Membership: Any UTSA student, faculty member, or staff member who subscribes to the purpose and basic policies of the organization may become a member of the organization subject only to compliance with the provisions of the constitution. Enrollment or employment at another University of Texas System campus does not meet the requirement for student organization membership. All officers/representatives must be currently enrolled students at the University. A student organization must have at least five members to register.
**Single-sex Organization:** Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in educational programs and activities at the university unless such programs and activities are specifically exempt from the law. The university is required to be in compliance with the provisions of Title IX. Therefore, compliance with Title IX is a condition to be a registered student organization at the university. Since passage of this law and the publication of the implementing regulations, the U. S. Department of Education Office of Civil Rights has evolved a rather clear set of criteria for determining when single sex organizations are exempt from the provisions of Title IX. These criteria are as follows:

1. The organization must have tax-exempt status under Section 501 of the Internal Revenue Code;
2. Members must be limited to student, staff, or faculty at The University of Texas at San Antonio;
3. The organization must be a "social fraternity" as defined by the Department of Education.

The Department of Education defines a "social fraternity" as a group that can answer "no" to all the following questions:

1. Is the organization’s membership limited to persons pursuing or having interest in a particular field of study, profession or academic discipline?
2. Is the membership limited to individuals who have a high level of achievement in scholarship or any other endeavor?
3. Are the members permitted to hold membership in other fraternities or sororities at the university?

If a group answers "yes" to any of the questions, it is not a "social fraternity" and therefore is not exempt from the requirements of Title IX and therefore must accept members of both sexes. An affirmative answer to any of these questions is evidence that the organization is professional, service, or honorary in nature and not a social fraternity or sorority for Title IX purposes.

United States Department of Education-Office for Civil Rights Rational: The rationale for this distinction is based on the intangible educational advantage afforded by membership in such professional, service and honorary organizations. Many such honor and service organizations have school and alumni recognition and reputations, which enhance student members’ careers. Members frequently gain enhanced status, which, as alumni, is often influential in decisions affecting campus life and university policy. This type of educational opportunity and benefit is significant and may not be denied to students on the basis of sex.
STUDENT ORGANIZATION ADVISOR

Why does a student organization need an advisor?
An advisor can prove to be a valuable asset to your organization by sharing their life experiences, wisdom, and providing continuity, organizational memory, and connections to resources. The key role of the advisor is to serve as a resource for the organization. Take some time to discuss reciprocal expectations with your advisor(s). Try to establish open lines of communication that will enable you to work together effectively.

Who is eligible to serve as an advisor?
An advisor must be either a faculty member (not on sabbatical) or a staff member at the University. The faculty or staff member must be employed at the University at least part-time and in a benefits eligible position. Advisors are expected to be actively involved in the affairs of their organizations. Unless it states otherwise in their position description on file with human resources, faculty and staff may only advise two student organizations.

What is the role of an advisor?
Suggestions of the Advisor’s Role: While specific roles should be defined by the organization and the advisor, an advisor should generally...
- provide expert knowledge and advice
- be knowledgeable about activities and programs of the organization
- suggest and encourage new program ideas
- help members apply principles and skills learned in and out of the classroom
- point out new directions and options
- provide insight into the group’s problems and successes
- teach leadership techniques and develop new leadership
- assist in maintaining high standards of programming and individual performance
- provide continuity with the history and tradition of past years
- assist in the development of procedures and plans of action

In return for his/her support, the advisor should expect that he/she be consulted regularly by the officers concerning their plans for group activities or programs. The advisors should know what events are being planned and should offer ideas and suggestions freely, but not dominate the program planning process.

If not being consulted, the advisor should insist that the group do so. At the same time, the advisor should avoid becoming involved in clearing or approving every detail. For assistance in defining officer-advisor relationships, contact Student Activities for advice and resource materials.

Mandatory Expectations of an advisor?
Each advisor must attend one Risk Management Training. In addition, the advisor serves as the link between the Student Organization and the University; providing guidance to the organization in regards to University policies and procedures.

An advisor must sign the Advisor Agreement Form each year during registration periods.

To further assist advisors in their responsibilities, Student Activities has developed an Advisor Handbook. It can be found online at http://www.utsa.edu/sa/so under Advisor Resources.

If at some point you have difficulty locating an advisor, or are having some complications with your current advisor, please stop by Student Activities or call 210.458.4160.
New Student Organization Information

GETTING STARTED
If you are interested in starting a new student organization, we provide you a limited opportunity to utilize on-campus facilities to gauge interest prior to completing all registration requirements. You may reserve meeting space on one occasion through Events Management (http://www.utsa.edu/calendar/plan.cfm, click “Request an Event”) for the sole purpose of having an interest meeting. You will need to notify them that you are reserving space to hold an interest meeting for a potential student organization. An interest meeting is defined as a meeting to explain the purpose of the organization, identify individuals interested in forming the organization and completing the requirements of registration (i.e. creating a constitution). In addition to having one interest meeting, you may post on campus once (i.e. to advertise the interest meeting).

Postings must be approved through Student Activities (see the policies regarding postings). Again, you will need to notify Student Activities that it is a posting for a potential student organization.

Note: These allowances do not apply to single-sex organizations (see definition on page 3 of the Handbook). The procedures for starting a new single-sex organization prohibits any interest groups to operate on campus prior to being invited to expand onto campus (those policies are on page 6 of the Handbook). For more information regarding the expansion process, refer to the policies outlined in the Student Organization Handbook or talk to the Associate Director of Fraternity and Sorority Life in Student Activities.

GUIDELINES FOR NAMING YOUR STUDENT ORGANIZATION AND USING THE UTSA LOGO
• The name of the student organization must be unique—the name cannot duplicate the name of an existing student organization.
• Registered Student Organizations who choose to use UTSA in their title must use the following format: (Name of Organization) at UTSA. Student organizations are not official entities of the University and may not represent themselves as such.
• Student organizations cannot use the University trademarks, seal or logos (including Rowdy/mascot), without permission, as part of any letterhead, sign, banner, pamphlet, t-shirt, or other printed material that bears the name of the organization. Furthermore, student organizations may not manipulate or otherwise alter any trademark, seal or logo of the University without express permission. To learn more about Trademarks and Identity Guidelines, visit http://www.utsa.edu/ucm/resources/identity/licensing/index.html.
• Student organizations may indicate existence at the University as part of any letterhead, sign, banner, pamphlet or other printed material that bears the name of the organization by adding the phrase "at The University of Texas at San Antonio (or UTSA)".

EXPANSION PROCEDURES FOR SINGLE-SEX ORGANIZATIONS (FRATERNITIES/SORORITIES)

Note: that NO PLEDGING CEREMONIES NOR INITIATIONS NOR INTEREST MEETINGS are to occur until the group has received written notification from the University granting permission to become a Social Greek Organization at UTSA.

Section I: Philosophy and Guiding Principles

A. The addition of new and/or returning Social Greek fraternities and sororities is contingent upon the assessed need on the campus by the Expansion Committee. The Greek community at The University of Texas at San Antonio is committed to Greek organizations, and will put first the interests and welfare of current chapters; second, the re-establishment of (inter) national groups formerly having chapters at The University of Texas at San Antonio; and third, the colonization of new (inter) national groups.

B. The University of Texas at San Antonio wishes to protect the interests of any group by measuring their chance for success prior to issuing an invitation to colonize and/or be recognized as a student organization. Therefore, adherence to and demonstrated success in this policy’s components must be heavily considered in selecting a group to affiliate with UTSA Greek community.

C. Although The University of Texas at San Antonio cannot and does not seek to infringe upon the right of any group to assemble and meet, the University does have an interest in the development of campus-based Social Greek Organizations: to assure an avoidance of hazing; development of members which maintains the health and vibrancy of the Greek community; demonstrated support for the University mission and the Greek community; and compliance of various laws and safety regulations.

Section II: Social Greek Organization Minimum Requirements

The University of Texas at San Antonio will only recognize those Social Greek Organizations, as student organizations, that meet the following requirements:

A. Affiliated with an established, (inter) national Social Greek Organization, which is also 501(c) ((inter) national is defined as more than one chapter in more than one state)

B. The organization is single-sex and has been granted federal Title IX exemption

C. Exist to promote fraternal relationships and personal development

D. Requirement for admission is not limited to a specific field of study, class year or grade attainment beyond the typical grade requirement

Section III: Considerations for Expansion

A. Number of students participating in recruitment in relation to the number who end up joining (only for NPC and NIC/FLA)

B. Number of chapters and colonies on campus

C. Number of active and new/associate members

D. Average size of chapter memberships as well as the median number of members in all chapters

E. Chapters and colonies currently experiencing membership problems and an assessment of projected measures to assist them

F. University’s projection of enrollment trends

Section IV: Procedures for Expansion

Expansion for National Panhellenic Conference (NPC) groups shall occur through a Formal Expansion Plan, outlined in Section VI, and by following the outlined Extension Procedures found in the NPC Manual of Information.

This letter of intent should be addressed to the council to which the group seeks membership. (Interfraternity Council, Multicultural Greek Council or Panhellenic Council; hereby referred to as Council)

B. Submit a list of interested students, including name, address, phone number, email and year in school.

C. Complete and submit the Expansion Packet (see Appendix A).

D. The Executive Board of the Council will review the Expansion Packet and the considerations outlined in Section III. The Executive Board reserves the right not to pursue the request if all aspects of requested materials are not provided. The Executive Board will make one of the following decisions

1. Expansion is neither desirable nor feasible at this time. The petitioning group may reapply at a later date.

2. Extend an invitation to the petitioning group to give an on-campus presentation. This is not a commitment for expansion, merely an invitation to continue the exploration of expansion.

3. More information is needed before a decision can be reached.

E. If the petitioning group is invited for an on-campus presentation, they will be notified and a date that is agreeable with all parties shall be determined.

1. The presentation shall include all those items in the Expansion Packet, excluding those noted with an asterisk (*).

2. The audience of the presentation shall consist of the Executive Board of the Council, the voting delegates of all chapters which are a part of the Council, the Council’s Advisor and any member of the Greek Community that wishes to be in attendance.

3. After the presentation, everyone excluding the voting delegates, Council officers and the Council’s Advisor will be excused from the room.

4. Discussion will take place on the date of the presentation. However, voting on a recommendation may not take place until the next regularly scheduled meeting of the Council.

F. Recommendation

1. The Council will vote on a recommendation to give to the University. The recommendation shall either be favorable or unfavorable.

2. The Council’s favorable recommendation is not an invitation to expand.

G. Final Decision

1. The recommendation of the Council shall be given to the Office of Student Activities.

2. After reviewing all materials submitted and the recommendation of the Council, the petitioning group may be given an invitation to expand. If so, all applicable forms for registration must be submitted prior to being considered a student organization on campus. If an invitation is not extended, the petitioning group may reapply after one academic year.

3. A petitioning group that is invited to expand has no longer than one academic year to meet the minimum of five (5) members. If this requirement is not meet, the group will have to repetition.
Section VI: Procedures for Formal Expansion

The Executive Board of the Council considering formal expansion (Interfraternity Council, National Pan-Hellenic Council, Multicultural Greek Council or Panhellenic Council; hereby referred to as Council) shall establish an Expansion Committee. The membership of the Expansion Committee is a collaboration of the Interfraternity, Panhellenic and Multicultural Greek Councils. It shall consist of, but not be limited to, the following individuals: One representative from the IFC, MGC, NPHC and PHC Executive Boards, and one chapter President/Representative from each of the chapters that is a member of the Council seeking Expansion. The Program Advisor for Greek Life serves as an ex-officio member of the Committee and appoints all members of the Committee. The Expansion Committee is responsible for the adhering to the following procedures:

A. Examine and determine the need for expansion
B. Gain approval from the Council to proceed with Formal Expansion
C. Determine the number of groups to be involved in the expansion plan based on need and resources.
D. Contact those groups that have expressed interest and/or those groups with a history on the UTSA campus. Notify them of the Formal Expansion and invite them to submit Expansion Packets. Letters may also be sent to all groups that are members of FLA/NIC, NAFLO, NPHC, or NPC (which ever is appropriate for the Formal Expansion), who are not currently represented at The University of Texas at San Antonio.
E. Review materials and determine the group(s) to be invited to on-campus meetings and a presentation. No more than five (5) groups may be invited. Those groups selected will be notified and a date that is agreeable with all parties shall be determined.
F. Meetings are scheduled with the following groups: (1) Expansion Committee, (2) University faculty and staff, and (3) the respective governing Council (IFC, MGC, NPHC or PHC).
G. The presentation shall include all those items identified on the Expansion Packet. The audience of the presentation shall be the members of those chapters belonging to the Council seeking Expansion and anyone else from the Greek Community that wishes to attend.
H. Discussion and Voting
   1. Discussion of all presentations will be held at the first Council meeting held after the last group’s presentation. The only individuals allowed in the room during discussion are: the voting delegates, Council officers and the Program Advisor for Greek Life.
   2. Voting may take place at the time of discussion or it may not take place until the next regularly scheduled meeting of the Council.
I. Recommendation
   1. The Council will vote on a recommendation to give the University. The recommendation will consist of a list of the organizations they would like to invite to expand on to campus. The list shall include at least one organization.
   2. The Council’s recommendation is not an invitation to expand.
J. Final Decision
   1. The recommendation of the Council shall be given to the Office of Student Activities.
   2. After reviewing all materials and the recommendation of the Council, an invitation to expand will be given to a minimum of one organization. If more than one is invited to expand, an expansion schedule will outline when each organization can begin expansion onto campus.
   3. A Social Greek fraternity that is invited to expand has no longer than one academic year to meet the minimum of five (5) members. If this
requirement is not meet, the organization will have to repetition during the next appropriate Formal Expansion.

Section VII: Additional Information

A. It is recommended that organizations wishing to re-establish a colony/chapter at Texas at San Antonio wait at least six (6) full semesters (fall/spring) before entering the expansion process.

B. After receiving recognition, the colony/chapter will be governed by the policies in IFC, MGC, NPHC or PHC respectively. This includes chapter GPA requirements. Membership must be maintained in one of the councils to continue being recognized as a student organization on campus.

C. Organization status (i.e., Associate Member, etc.) within the Council is the determination of the respective governing Council.

D. The Vice President for Student Affairs and/or the Council Advisor reserve the right to require specific conditions to be met in order to proceed with and/or maintain student organization recognition.

E. Social Greek organizations must complete the student organization registration process every semester.

SPONSORED STUDENT ORGANIZATION APPROVAL PROCESS

1. Review the Student Organization Relationship Statement as it relates to sponsored student organizations; especially Section 3.3 which outlines the approval process.

2. Advisor(s) and student organizers schedule a meeting with the Associate Director of Student Activities to review the creation process, rights, responsibilities, and privileges extended by the sponsoring office.

3. Develop a formal proposal to start a new sponsored student organization and present it to the Associate Director of Student Activities. A completed proposal should address the following thoroughly and should include appropriate supporting documentation:
   - Name of student organization, sponsoring office, student organizers' contact information, and advisor(s)’ contact information.
   - Purpose of student organization. This statement should define the services/programs the student organization will offer to UTSA students, which are not currently available, and/or not being delivered effectively through existing organizations.
   - Explanation of how this student organization meets the definition of a sponsored student organization: An organization created by a University department or division to support the ongoing interests of the University community. A sponsored student organization is considered to be critical to the mission and culture of the University and is inherently linked to the University due to their role as University representatives; thus a sponsored student organization is an integral part of the institution. A sponsored student organization routinely presents events for the University and surrounding community. The activities and events of these organizations are considered to carry a higher level of risk because of their scope and perceived association with the University. Other privileges may be granted to sponsored student organizations by the sponsoring University department or division, which may or may not be extended to other student organizations.
   - Demonstrated need from students that the proposed sponsored student organization will provide programs/services, which are not currently provided through existing methods. Examples of supporting documentation include petitions from interested students, evaluations, Advisory Committee meeting minutes, etc.
   - Draft of Constitution and Bylaws.
   - Proposed operating budget and funding sources.
   - Roles, job descriptions, and/or duties of student officers & members.
   - Action plans for student organizers and advisor to recruit members and begin providing programs.
   - Description of support the sponsoring department or division will provide for the student organization (i.e. office supplies, budget, workspace, training, etc.)
   - UTSA job description of the full-time staff member that will serve as an advisor. It is critical that the advisor job responsibility not be tied to a person, but to a position within the department or division; as should the position become vacant it is necessary for the next person in the position to assume the advising of the sponsored student organization.

4. Student Activities reviews proposal, gathers outside information if needed and makes a recommendation to the Vice President for Student Affairs. Additional meetings between the Student Activities Office, organizers and the advisor(s) may be necessary before a recommendation is forwarded to the Vice President for Student Affairs.

5. Vice President for Student Affairs approves or denies Sponsored status.

ANNUAL REQUIREMENTS

RowdySync Session
All student organizations must attend a RowdySync Session, typically offered March. The sessions are on both campuses and at various times. The sessions are an opportunity to distribute a Student Organization Handbook to every student organization and to discuss any issues that have arisen during the last year or any changes that affect student organizations. The sessions are short sessions, therefore promptness is critical. One student may represent up to two student organizations at a session.

End of Year Review Report
Record keeping is an important part of maintaining a student organization and transitioning an organization’s leadership. Keeping a history of your student organization will help not only student leaders, but all members, know what has worked well in the past, what has already been done in the past, and what traditions or special events should be carried on into the future.
This report can include successes, areas of improvement, advice for the future, program evaluations, program ideas, total service hours, philanthropic events completed, amount of funds raised, thoughts from the leadership about ongoing traditions, problems faced throughout the year, major achievements, training for leadership, team-building for the organization, etc.

Please understand that this report also allows the office know how to better serve the organization.

Once the report has been submitted and reviewed, it will be added to the organizations RowdyLink page for future officers and members.

This report must be completed in order to reregister for the upcoming academic year.

Registration
Student organizations are required to register once a year with Student Activities. Organizations who do not register by the established deadlines listed below will lose recognition.

Registration for the next academic year begins in April. Those organizations not registered by the tenth (10th) day of classes will lose recognition and privileges (workspace, bulletin board, reservations, postings, etc) until they register.

The registration process for both returning and new organizations is done on-line at utsa.edu/rowdylink.

In the upper right hand corner is the “Log In” button. Use your UTSA ID (abc123) and password to log in. Once you log in, go to “Organizations” at the top of the screen. Find your organization by either using the directory (the letters on the left side) or searching (button on left side). Once you find the organization, click the button under the name that says “Register this Organization”.

Carefully read the instructions during the registration process to ensure that the registration will be accepted.
State Mandated Risk Management Training (SMRMT)

- Every fall semester, the Office of Student Activities will host the State Mandated Risk Management Training. **All organizations must send two representatives to one of the scheduled trainings.**
  - If an organization does not have the minimum required members in attendance to one of the fall State Mandated Risk Management Training sessions, the organization will lose recognition for that semester. The organization will have the opportunity to attend a State Mandated Risk Management Training session at the beginning of the spring semester.
  - In addition, advisors must attend a State Mandated Risk Management Training session for advisors only. This includes the faculty/staff advisor(s) on record and any off-campus, primary advisor that may be an alumnus/a of the university or the organization (i.e. Chapter Advisor, Alumni Advisor, Graduate Advisor, Campus Minister, etc.).
  - Organization Risk Management Compliance will be issued when the organization has:
    1. had the minimum number of students attend State Mandated Risk Management Training;
    2. held a Risk Management information meeting for their organization;
    3. submitted completed Compliance paperwork regarding information meeting by due date;
    4. been recorded as “Complete” in the Student Activities Risk Management Database.
  - If an organization fails to complete these steps, the organization is not in compliance and therefore is no longer a registered student organization and has no rights and privileges on campus (including, but not limited to, reserving space, postings, workspace, and bulletin boards).

**Note:** Any new organization registered by the last day of the semester will be required to attend the State Mandated Risk Management Training held in the following semester.

**ORGANIZATION NAME CHANGES**

If your student organization wishes to change the organization name, after completing the Reregistration Process, they must fill out the Organization Name Change document and submit it on Rowdylink.

The name change will require the old name, the desired name, the signature of 2 authorized representatives, an explanation of why the name is being changed, and the advisors signature. Once complete, the form should be submitted on RowdyLink.

**Authorized Representatives and Advisor must be listed on the Organizations RowdyLink Profile to be approved**

After the organizations name change has been approved and changed, It is the organizations responsibility to change the name on the constitution, the organization description/summery on RowdyLink, EIN numbers, and all bank or cost center accounts.

**Note:** For off-campus banking institutions, a letter may be requested from the Office of Student Activities.
LEGAL RESPONSIBILITIES AFFIDAVIT FOR STUDENT ORGANIZATIONS

I. Statement as to Make-up of Members:
At the beginning of each semester, each registered student organization or group must file with the appropriate institutional officer a written statement that the organization or group does not, and will not during the semester, have as a member any person who is not either a student or a member of the faculty or staff of the institution. If an organization or group fails or refuses to file the required statement, or if the Dean of Students determines that the statement is or has become false, the Dean of Students, after providing notice, shall begin disciplinary proceedings. The Dean or Hearing Officer may cancel the registered status of the organization or group or impose other appropriate penalties. (Rules and Regulations of The Board of Regents of The University of Texas System, Series: 50202, Section 6.3)

Any UTSA student, faculty member, or staff member who subscribes to the purpose and basic policies of the organization may become a member of the organization subject only to compliance with the provisions of the constitution. Enrollment or employment at another University of Texas System campus does not meet the requirement for student organization membership. All officers/representatives must be currently enrolled students at the University. A student organization must have at least five members to register.

II. Prohibition of Hazing:
Hazing in state educational institutions is prohibited by both state law (Sections 51.936 & 37.151 et seq., Texas Education Code) and by the Rules and Regulations of The Board of Regents of The University of Texas System, Series: 50101, Section 2.8). Individuals or organizations engaging in hazing could be subject to fines and charged with criminal offenses. Additionally, the law does not affect or in any way restrict the right of the University to enforce its own rules against hazing.

Individuals
A person commits an offense if the person:
1. engages in hazing;
2. solicits, encourages, directs, aids or attempts to aid another engaging in hazing;
3. recklessly permits hazing to occur; or
4. has firsthand knowledge of the planning of a specific hazing incident involving a student in an educational institution, or has firsthand knowledge that a specific hazing incident has occurred, and knowingly fails to report that knowledge in writing to the dean of students or other appropriate official of the institution.

Organizations
An organization commits an offense if the organization condones or encourages hazing or if an officer or any combination of members, pledges, or alumni of the organization commits or assists in the commission of hazing.

Definition
The term “hazing” is broadly defined by statute to mean any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization. Hazing includes, but is not limited to:

a. any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity
b. any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subject the student to unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
c. any activity involving the consumption of a food, liquid, alcoholic beverage, liquor, drug or other substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
d. any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame or humiliation, that adversely affects the mental health or dignity of the student or discourages the student from entering or remaining
registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described in this subdivision; and
e. any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code. The fact that a person consented to or acquiesced in a hazing activity is not a defense to prosecution.

The Rules and Regulations of The Board of Regents of The University of Texas System, Series: 50101, Section 2.8 provide that:
1. Hazing with or without the consent of a student is prohibited by the System, and a violation of that prohibition renders both the person inflicting the hazing and the person submitting to the hazing subject to discipline.
2. Initiations or activities by organizations may include no feature which is dangerous, harmful, or degrading to the student, and a violation of this prohibition renders both the organization and participating individuals subject to discipline.

Activities which under certain conditions constitute acts that are dangerous, harmful, or degrading, in violation of Rules include but are not limited to:
- calisthenics, such as sit-ups, push-ups, or any other form of physical exercise;
- total or partial nudity at any time;
- the eating or ingestion of any unwanted substance;
- the wearing or carrying of any obscene or physically burdensome article;
- paddle swats, including the trading of swats;
- pushing, shoving, tackling, or any other physical contact;
- throwing oil, syrup, flour, or any harmful substance on a person;
- rat court, kangaroo court, or other individual interrogation;
- forced consumption of alcoholic beverages either by threats or peer pressure;
- lineups intended to demean or intimidate;
- transportation and abandonment (road trips, kidnaps, walks, rides, drops);
- confining individuals in an area that is uncomfortable or dangerous (hot box effect, high temperature, too small);
- any type of personal servitude that is demeaning or of personal benefit to the individual members;
- wearing of embarrassing or uncomfortable clothing;
- assigning pranks such as stealing; painting objects; harassing other organizations;
- intentionally messing up the house or room for clean up;
- demeaning names;
- yelling and screaming; and
- requiring boxing matches or fights for entertainment.

Immunity
In an effort to encourage reporting of hazing incidents, the law grants immunity from civil or criminal liability to any person who reports a specific hazing event in good faith and without malice to the dean of students or other appropriate official of the institution and immunizes that person for participation in any judicial proceeding resulting from that report. Additionally, a doctor or other medical practitioner who treats a student who may have been subjected to hazing may make a good faith report of the suspected hazing activities to police or other law enforcement officials and is immune from civil or other liability that might otherwise be imposed or incurred as a result of the report. The penalty for failure to report is a fine of up to $1,000, up to 180 days in jail, or both. Penalties for other hazing offenses vary according to the severity of the injury which results and include fines from $500 to $10,000 and/or confinement for up to two years.
III. Laws, Policies and Procedures
Student organizations are required to abide by federal, state, and local laws. Additionally, students and student organizations are responsible for adhering to all of the applicable terms and conditions of the Student Organization Handbook, Student Code of Conduct, UTSA Handbook of Operating Procedures, and any other applicable University policies and procedures. Violation of applicable laws, policies and/or procedures by any student organization and/or its members may subject that organization to disciplinary action.

DISCLOSURE OF SOLICITATION
A students’ association and each registered student organization shall, within 30 days after the beginning of each long session semester, file with the Dean of Students or other appropriate official a statement fully disclosing the sources and amounts of money obtained from solicitations during the preceding semester or summer session and fully disclosing the purposes and amounts of the expenditures made during the preceding semester or summer session. Any organization failing to comply with the provisions of this series shall be prohibited from solicitation activities until the organization files the required report. (Rules and Regulations of The Board of Regents of The University of Texas System, Series 80103, Section 4)

Leadership Takeover is a free leadership conference that provides an opportunity for UTSA students to gain invaluable personal and leadership skills through educational sessions, roundtables, peer-to-peer interactions and a keynote presentation by a nationally recognized speaker. Leadership Takeover occurs every year in the spring semester. Be sure your organization sends representatives to the conference every year.

**LITERATURE RACKS**

Literature racks are available for student organization brochures. The literature racks are located in the Student Organization Complex at the Main Campus and near the communal student organization workspace at the Downtown Campus. Student organizations are encouraged to place literature about themselves in this location for members of the UTSA community as well as prospective students to learn more about the organization.
MAILBOXES
A mailbox is assigned to every registered student organization to receive official correspondence from on and off campus parties. The mailbox may be used to pass on messages to other officers and members; however, it is required that at least 3 authorized representatives have access to the mailbox to reduce the chance of misplaced mail. The mailbox may also be used to receive mail. The address to be used is:

Name of Student Organization  
c/o Student Activities  
One UTSA Circle  
San Antonio, TX 78249

No personal mail should be sent to the organization’s mailbox. Student organization mailboxes cannot be used for: sales or commercial activity, or activities of non-students (individuals or affiliated groups).

A student organization’s mailbox can be located at the Main Campus or Downtown Campus. The organization’s mailbox is automatically put on the Main Campus (UC 1.210); however, you would like to have your mail routed to the downtown campus, inform Student Activities.

Mailbox Procedures
The following procedures are to ensure that all student organizations consistently check and pick up mail in a timely fashion.

1. Mailboxes must be checked once a week, by Thursday evening.
2. On Friday, organizations will receive a notice if they have failed to pick-up their mail.
3. The following Thursday, if mail is still not picked up, it will be returned to sender.

The mailboxes are maintained by Office of Student Activities, and materials can be distributed upon request.

All student organization mailboxes in Student Organization Complex shall be reviewed for appropriate space utilization every semester. All student organizations failing to comply with this or any University policy or procedure risk disciplinary action, including: losing their student organization mailbox, loss of recognition, or any other sanction deemed appropriate by University officials.

Exclusions and Special Situations
If an official University holiday or other circumstance (such as finals) occurs during a week student organizations will be notified that there is an exception for that week.
BULLETIN BOARDS
A bulletin board is utilized to communicate information about the organization and its activities to its members and the campus community. Bulletin boards are located in the MH (2nd and 3rd floors), MS (2nd and 3rd floors), SB (2nd floor), and NPB (1st Floor).

An organization will have the opportunity to apply for a bulletin board during the re-registration process. Be sure to read the application carefully, as boards are selected on a first come, first serve basis.

Only one person for the organization is allowed to pick a board. Know that if the paperwork in which shows the location of the board selected is not turned in and time stamped by staff your board is not officially the organizations.

Organization bulletin boards must be decorated by the beginning of Roadrunner Days. Failure to comply with the deadline will result in the loss of the bulletin board and the student organization may reapply for a new board. There is no guarantee during the reapplication process the student organization will receive the previous board picked.

Once a bulletin board is selected, the student organizations must cover and maintain the board according to the following guidelines:
- cover the space (within the lines marked above the board) with paper or cloth (no cork background is allowed to be seen)
- display the name of the student organization
- display contact information of the organization
- use only regular-sized staples or push pins
- do not use utility staples, nails, or screws
- do not permanently affix anything to the board or the surrounding wall
- do not use glitter to decorate bulletin board

NOTE: Because the bulletin boards are located in public areas, they are virtually impossible to secure. Student Activities has no means of preventing vandalism and unauthorized removal or posting of materials on these boards. Therefore, please be advised that posting items on a bulletin board is at the risk of the student organization. Displaying items and decorations of significant value is discouraged.
**WORKSPACES (Located in HUC 1.210 & HUC 1.206-1)**

The concept behind the workspace is to create an active community made up of students. The members should have a noticeable consistent presence. The purpose of these procedures is to establish a baseline for allocating space fairly and for holding groups accountable for appropriate usage.

This policy applies to student members of a registered student organization when assigned a workspace by the Office of Student Activities.

**Workspace Procedures**

The following procedures are to ensure that all student organizations feel comfortable in these areas and are able to derive the greatest benefit from them.

1. **Organizations who have been assigned a workspace are required to use the workspace at minimum, once a week.** In order to track this usage, a representative from the organization will check in at the Student Activities desk at least once each week.
2. **Periodically, organizations who have been assigned a workspace will be required to turn in workspace document (placed on desk).**
3. **Other factors may also be used to track usage of the space.**

**Workspace Application Forms** will be available on RowdyLink in April; however no request form will be accepted unless the organization has completed and submitted registration forms for the fall semester. Underutilized workspaces may be re-assigned at the end of the fall semester, or may not be reassigned to the student organization the following year.

There is no guarantee that a student organization will receive a workspace. In addition, there is no guarantee that the same location will be assigned to the same student organization from year to year. In reviewing the applications, consideration is given to:

- Past use of the workspace;
- Involvement in campus wide events during the previous academic year;
- Expected level of programming for the next academic year;
- Type/size of space needed;
- Type/amount of work expected to occur; and
- Other factors that are deemed appropriate.

**Note:** In the event that demand for workspaces exceeds supply, student organizations that are eligible for workspace, but not assigned space will be placed on a waiting list. If workspaces become available during the year, organizations on the list will be offered these spaces in the order their request was received. The Office of Student Activities will maintain these waiting lists.

New student organizations formed throughout the year may be assigned spaces if there is not a waiting list. Otherwise, they will be added to the current waiting lists and will have the opportunity to apply for services during the next application period.

For those student organizations housed at the Downtown campus, there are communal workspaces available in Student Activities-Downtown in DB 1.302. All the organizations that are primarily operate out of the downtown campus share this common workspace.

  - If the club exceeds safe harbor guidelines for nonmember and investment income, the facts and circumstances must show that it is organized substantially for exempt purposes.
  - The club has de minimis income from nontraditional sources (i.e., from investments or from activities that, if conducted with members, would further the club’s tax-exempt purposes).
  - For a discussion of the effect of nonmember and "nontraditional" income on the tax-exempt status of social clubs under section 501(c)(7), see Nonmember Income.
- The club must provide an opportunity for personal contact among members, and membership must be limited.
- The club must be supported by membership fees, dues, and assessments.
- The organization’s net earnings may not inure to the benefit of any person having a personal and private interest in its activities.
- The club’s governing instrument may not contain a provision that provides for discrimination against any person on the basis of race, color, or religion.

**Social Clubs: Required Filings**

Although they are exempt from income taxation, social clubs are generally required to file annual returns of their income and expenses with the Internal Revenue Service. If a club has unrelated business income, it must file an unrelated business income tax return. In addition to filing an annual exempt organization return, social clubs may be required to file other returns and pay employment taxes. Some clubs may be required to file certain returns electronically.

Note: The Office of Student Activities highly recommends that student organizations who wish to hold events on campus and use on-campus facilities get a cost center.

TO OPEN A COST CENTER

(1) Obtain an EIN
(2) Once the organization has obtained the EIN for your organization, please log into www.utsa.edu/rowdyink to submit a request to create a cost center. The Cost Center request form can be found at: https://utsa.collegiatelink.net/organization/sa/availableforms
Under forms – click on Cost Center - New Set-up - Request Form 2015-2016.

Once you have completed the form, press submit. Once the form is submitted it will be directed to a Student Activities staff member and you will get a message in Rowdylink when your cost center is set up and ready to use. Your cost center information will also be updated on your organization’s RowdyLink profile for your quick reference and convenience.

Note: Please note that the new cost center can take up to 2 weeks to receive. A cost center account will have two letters followed four numbers, the Office of Student Activities assigns in the following format: AG####.

USING A STUDENT ORGANIZATION COST CENTER

Account Transactions
To deposit or withdrawal money, you must complete the appropriate form at RowdyLink, under Organizations, Student Activities’, then Forms. Once Student Activities completes the paper form with all signatures, the organization will be notified; in most cases within 24-48 hours. The student organization would then take the form and their deposit to Fiscal Services (JPL 1.03.06, MS 1.02.32 or FS 1.508).

Note: Only the authorized representatives on file with Student Activities will be allowed to authorize any withdrawals from an on-campus account. Anytime there is a request for over $100 in the form of a Petty Cash, our office will confirm the transaction with one other authorized representative.

Cost Center Balance Inquiry
The student organization may request the current balance in cost center account via RowdyLink. The balance is as of the date and time submitted. It may not include any outstanding deposits or withdrawals.

RESPONSIBILITIES

The student organization is responsible for maintaining financial records for the account. Funds must be in the account before charges can be made. If charges are made to the account without the appropriate funds being available, the student organization’s privileges may be revoked until funds have been deposited.

Note: If the student organization is inactive for three consecutive semesters, the funds in the account will be disbursed to the organizations choice, noted in the constitution.
BANKING INSTITUTIONS
A student organization may choose to open a checking or savings account at a local bank or credit union. A bank account gives the student organization the option to write checks and have instant access to account funds. Most financial institutions will require the organization to have an EIN.

Caution should be taken if a checking account is used. Systems should be put in place by the student organization to ensure that no member has the ability to withdraw funds from the account without approval from the student organization and/or the Advisor. Some suggestions are: have dual signers on all checks, not having a debit/credit card and not utilizing on-line banking.

The student organization should also determine from the outset what would happen with the funds if the organization becomes defunct.

LEADERFUND
Leaderfund is a reimbursement program. It is designed to provide financial support for Registered Student Organizations (RSOs) that host events or participate in activities that provide leadership or learning opportunities for students or contribute to an increased sense of campus community. Reimbursement is allocated at the discretion of the Student Government Association finance committee.

The Student Government Association (SGA) operates LeaderFund. For information on how to request funds, deadlines, and hearing dates, contact the Student Government Association at 210.458.4597, visit their page in RowdyLink or stop by their office in the University Center (HUC 1.214).
FUNDRAISING GUIDELINES

General Guidelines
Fundraisers and the solicitation of funds may be conducted outside university buildings by registered student organizations.

- Student organizations **may not** conduct fundraising on behalf of or for the benefit of a non-University recognized organization or corporation.
- Fundraisers **may not** be conducted for private gain of individuals or for-profit businesses.
- A student organization **may** charge an admission fee to a program.

*Note:* There may be a handling charge through the University Center if the tickets are sold at the Information Center. The number of tickets sold may not exceed the occupancy of the facility.

- Proceeds from fundraising activities (i.e. resale of retail merchandise and ticket sales) are subject to state sales tax laws. Refer to the following section on taxes for information regarding paying and collecting sales taxes.

- Fundraising by student organizations cannot occur on campus during either BestFest or Fiesta UTSA, unless it is officially part of the event.

Fundraising Procedures

- One week prior to collecting money or fundraising registered student organizations must fill out an **On-Campus Fundraising Form** on RowdyLink. Registered Student Organizations must receive approval from the Office of Student Activities prior to the event.

**Fundraiser with food is allowed under these guidelines:**

- The food is served to a limited and defined market of UTSA students, faculty or staff.
- The food is pre-cooked, purchased or donated food from a health-inspected location. (i.e. a restaurant or grocery store). It is best to have a copy of the restaurant or grocery store’s license where you are selling the food.
- Raw products (ex. eggs & meat) may be prepared on campus if following the guidelines established by the San Antonio Health Inspection Office ([http://www.sanantonio.gov/health/food-main.html](http://www.sanantonio.gov/health/food-main.html), click on “Requirements for Temporary Food Establishments”). In addition, organizations must complete a “Food Waiver”, available from Events Management. If applicable, you must also make proper accommodations for grilling and sand traps with Physical Plant.
- The sale of home-prepared or cooked food is not permitted.

**Donations**
Registered student organizations may receive donations from non-university entities; however non-university organizations may not co-sponsor activities on campus. Organizations may thank their donors through public announcement or on a program for a performance or event (i.e., “Special Thanks to...”) but may not advertise for companies or use corporate logos.

Any student organization soliciting donations must make clear to any potential donor that they are independent entities whose solicitations are not endorsed by or connected to UTSA.

Further, any student organization that does not have the proper documentation indicating that donations they receive are tax deductible is required to inform all potential donors that their donations to the student organization will not be tax deductible.

Since student organizations may be soliciting donations from donors with whom UTSA has or is cultivating a relationship, student organizations are expected to inform the Associate Director of Development for Student Affairs in advance of all such solicitations of $500 or more.

The form to be used is the Fundraising Authorization Request Form located at RowdyLink, Organizations, Student Activities, then Forms.
Raffles

- Most student organizations are not qualified to conduct raffles in the State of Texas. Raffles involve paying money for the chance to win a prize of greater value, which is considered gambling. Instead of raffles, it is suggested that student organizations hold “Free Drawings” in which no money is exchanged.

- The Charitable Raffle Enabling Act, effective January 1, 1990, permits “qualified organizations” to hold up to two raffles per calendar year. Two types of student organizations may conduct raffles. (1) An association organized primarily for religious purpose that has been in existence in Texas for at least 10 years. (2) A nonprofit organization that has existed least the three preceding years, during which it has had a governing body duly elected by its members and is exempt from federal income tax under Section 501(c), Internal Revenue Code; does not participate in any political campaign. [A copy of your organization’s IRS Letter of Determination verifying 501c status will be required.]

- Student organizations may conduct raffles on campus for qualified off-campus organizations. Raffle tickets may not be advertised statewide or through paid advertisements. Each raffle ticket must state the name and address of the organization holding the raffle, the name of an officer of the organization, the price of the ticket, and a general description of each prize to be awarded that has a value of over $10. A prize may not be money. Only members of the organization may sell tickets. No one may be compensated directly or indirectly for organizing or conducting a raffle or for selling raffle tickets.

Taxes

Collecting Sales Tax on Items Sold

All student organizations are required by law to collect sales tax when selling goods and/or services (this may include tickets to an event). If an organization has a state sales tax exemption, this means that the group is exempt from paying sales tax. The group is still responsible for collecting sales tax when selling goods or services. Remember, student organizations can be audited by the state, so it is very important that sales tax is properly collected and remitted to the State Comptroller’s Office. If you have questions on sales tax you can call the State Comptroller at 800.252.5555 or you can E-mail tax.help@cpa.state.tx.us. In order to properly remit sales tax:

- Download a Sales Tax Permit Form from http://www.window.state.tx.us.
- Fill out the form and send it in to: Texas Comptroller of Public Accounts, Austin TX 78774-0100
- It will take 4-6 weeks for your form to be processed. When you receive your permit number, make a copy and keep it in a secure place so that it will be readily available for you. This permit number is for you to use when you remit payments to the state. It allows the comptroller’s office to readily identify what organization is remitting payment.
- Obtain a “Texas Sales and Use” tax return from the Comptroller’s Office (call 210.616.0067 or 512.463.4600)
- Fill out the tax return and send it to the address above by the 20th day of the next calendar month after the month of your sale. If your organization owes less than $500 in sales tax for a calendar month or $1,500 for a calendar quarter, taxes may be paid on a quarterly basis. This means payment is due by the 20th day of the month following each calendar quarter.

Exceptions to Sales Tax Law

- If an organization is planning a one-day sale within a calendar month, it does not have to collect sales tax on any goods sold during that one-day period. An organization may only hold one tax free sale per month. For more information about this exemption visit: http://www.window.state.tx.us/taxinfo/taxpubs/tx96_122.pdf (see page 3, under Auction, Rummage Sales and Other Fund Raisers).
If an organization is holding an event that is exclusively for members of the UTSA community and they have not hired any off-campus business to provide services (such as a caterer or DJ), the organization does not have to collect sales tax for tickets to the event.

**Paying Sales Tax on Items Purchased**

Student organizations are not automatically exempt from paying state sales tax. To find out if your organization may file to become sales tax exempt, refer to Comptroller of Public Accounts, State Sales and Use Tax, Rule 3.322 (Texas Tax Code 151.309, 151.310; Texas Civil Statutes, Article 342-908). If your organization is eligible, you must first obtain 501c status from the Internal Revenue Service by submitting IRS Forms 8718 and 1023. Application processing may take over eight weeks. Also, refer to Publication 557, Tax-Exempt Status for Your Organization. All of these publications and forms are available at [http://www.irs.gov](http://www.irs.gov).

If 501c status is granted, the organization may apply to the state by submitting a letter, a copy of your charter/bylaws, and a copy of your 501c letter of determination from the IRS (if applicable) to the following address: Tax Policy Division, Exempt Organizations Section, Texas Comptroller of Public Accounts, P.O. Box 13528, Austin TX 78711-3528. Upon a ruling by the State Comptroller’s Office you will receive a letter allowing or denying exempt status. If exempt status is granted, please inform Student Activities and provide a copy of documentation for your organization’s permanent file.

If a student organization is purchasing merchandise for resale, it has two options regarding sales tax:

- obtain a resale certificate from the State Comptroller’s Office, which will allow the organization to defer payment of sales tax until time of sale. This does not mean that the organization does not pay sales tax. It means that it will collect sales tax for the item when it is resold and that sales tax will then be remitted to the state.
- pay the vendor sales tax on the items purchased. Please note, however, that if the organization is selling the merchandise at a mark-up, sales tax must be collected and paid on the mark-up.
FOOD ON CAMPUS
For the most current information go to utsa.edu/auxiliary/ or call 210.458.4003.

Food Distribution
Registered student organizations who serve food on campus have a limited and defined market of UTSA students, faculty or staff.

A student organization may sell non-consignment merchandise, food or nonalcoholic beverages on campus, as long as it does not conflict with a contract the University has with a vendor.

Reservations for Serving or Selling Food
The University Center Events Management Office in the University Center (1.02.04) can inform you where the proper locations are for food distribution on campus. For grilling, you must also make proper accommodations for a sand trap and other required items through the Physical Plant (210.458.4260) or through the Events Management Office.

Pre-Cooked/Baked Goods
All prepared food must be purchased or donated items from a health-inspected location (i.e., a restaurant or grocery store). It is best to request a copy of the business' current health inspection to have with you during the event. **No home goods may be sold on campus.**

Perishable Foods
Raw products (ex. eggs & meat) may be prepared on campus if following the guidelines established by the San Antonio Health Inspection Office (sanantonio.gov/health/food-main.html, click on “Requirements for Temporary Food Establishments”). In addition, organizations must complete a “Food Waiver”, available from Events Management. If applicable, you must also make proper accommodations for grilling and sand traps with Physical Plant.

Non-Perishable Foods
Foods such as popcorn, cotton candy, and coffee may be prepared on campus. However, food safety mechanisms must be in place and the event cannot be advertised to the general public. To determine if your food requires a permit or not, work with the Events Management (University Center 1.02.04, 210.458.4155, utsa.edu/events).
Hosting Events on Campus

EVENT PLANNING
Events Management is here to assist organizations in the planning of events held on campus. If you are planning a major event or have no idea what goes into event planning, contact them at 210.45.4155, EMCSevents@utsa.edu, or utsa.edu/events. If you reach out directly to other departments regarding an event your organization is hosting, be sure copies of all documents are sent to Events Management at UC 1.02.04, (i.e. academic technology, facilities services, police department, etc).

Reservations
A student organization is eligible to reserve meeting spaces, classrooms, lecture halls, and other approved locations (i.e. intramural fields, Sombrilla, Bill Miller Plaza, outdoor locations, etc) on the Main Campus, Downtown Campus or Institute of Texan Cultures. To reserve a room or table, go to utsa.edu/events and click on “Make a Reservation”.

Advanced permission is required (see Section B of the above mentioned policy). Any event or activity determined to be disruptive to any authorized university activity may be stopped or modified, notwithstanding the amplified sound provisions listed in the policy.

Off-Campus Speakers
Only student organizations and faculty/staff organizations may present off-campus speakers on this campus as approved by the Director of Student Activities.

The off-campus Speaker Request Form (utsa.edu/events) must be submitted to the University Center Events Management Office or Student Activities at least five (5) working days prior to the scheduled event.

- Distributes any proceeds of the event to an off-campus person or organization, except for: charitable contributions or payment for goods or services.
- Reserves a room or space for the use of an off-campus person or organization

The following facts do not, in and of themselves, indicate a prohibited joint sponsorship:
- Endorsing an off-campus person or organization or its message.
- Selling, distributing, or displaying literature prepared by an off-campus person or organization or containing contact information for an off-campus person or organization.
- Purchasing goods or services from an off-campus provider.
- Inviting a guest speaker.
- Funding from a non-University entity to support an event.

Events During Study Days and Finals
In order to maintain the academic environment needed at the end of the semester, student organizations may not host non-academic events during study days and finals. This will allow students to focus on preparing for the end of the semester projects and exams. Student Activities must approve academic focused events.

Tabling Limitations
When incoming freshman and transfer students are on campus during the summer for Orientation, they are fulfilling a requirement of the University. In order to support this University program and not disrupt the flow of traffic during the program, tabling (for recruitment, fundraising, etc) by student organizations will not be allowed. In addition, student organization cannot table during the Monday and Tuesday of Roadrunner Days. These are required days for incoming freshmen. Student organizations can register to participate in the New Student Involvement Fair.

SIGNS WITH STAKES (YARD SIGNS) GUIDELINES

Regulations
- Signs regarding official University events will be given priority in regard to placement, etc.
- Signs are the responsibility of the organization/department. The organization/department assumes the risk that any sign that is placed could be stolen or damaged.
- Signs must be either directional signs or an announcement of a date-specific event (not to exceed a week in length). Signs announcing regularly scheduled meetings do not comply with this policy.
- Signs announcing a date specific event may be posted up to ten calendar days prior to event; signs must be removed within one business day after the event. These time restrictions do not apply to major University initiatives such as Homecoming, Roadrunner Days, Graduation, Student Government Association Elections, and Orientation.
- Directional signs may be posted up to one calendar day prior to the event and must be removed by the calendar day after the event.
- Directional signs must include the event name and the sponsoring organization. Announcement signs must include the date(s) of the event, the event name and the sponsoring organization.
- Any sign that is 24 x 18 (or smaller) corrugated plastic with a stakes made from 8 or 9 gauge steel (approximately 3mm in diameter) may be placed by the organization. Due to underground utilities and irrigation, any sign larger than 24 x 18 or one with a larger stakes than 3mm in diameter must be placed by physical plant, the organization will be charged for this service.
- Signs on Stakes may be displayed within the perimeter of campus, but not along UTSA Boulevard. No sign may be posted in flower beds, next to fire hydrants, blocking other signs, or impeding the flow of traffic. See the Yard Sign map in the Student Activities office for suggested locations on UTSA property.
- If the signs are not removed by the required date, the organization/department may be billed for the removal.
- The University reserves the right to remove signs for violations of this policy, for safety-related reasons, or to prevent any confusion regarding official University events.

Approval Process
- Bring a copy of the yard sign to Student Activities (HUC 1.210 or DB 1.302).
- Complete the Yard Sign Log
- Post your sign – see above regulations for more information
- Remove the signs within one business day.

WOODEN LETTERS
If a student organization wishes to display large wooden letters on campus, they may do so following the guidelines established for “Exhibits” in the UTSA Handbook of Operating Procedures. Those policies are located at utsa.edu/hop/chapter9/9-37.cfm (look for X. Exhibits, over half way down the page).
POSTING POLICY VIOLATIONS
Student organizations are expected to abide by the posting guidelines established in the Student Organization Handbook and those in the UTSA Handbook of Operating Procedures Chapter 9.09 (found at utsa.edu/hop/chapter9/9-9.html). Any violation of these policies that is brought to the attention of the Office of Student Activities will be handled as follows:

- First violation – The Coordinator of Student Organizations will send a warning letter to the organization outlining the violation and reiterating the policies that must be followed. If the organization has questions about the content of the letter, they should schedule an appointment with the Coordinator of Student Organizations to review. If after the meeting the organization wishes to do so, they may appeal to the Associate Director of Student Activities.

- Second violation, within six months of the first violation – The Coordinator of Student Organizations will send a letter to the organization outlining the violation. The organization will lose the privilege to post on campus for 30 days. If the organization wishes to do so, they may appeal to the Associate Director of Student Activities.

- Third violation, within six months of the second violation – The Coordinator of Student Organizations will send a letter to the organization outlining the violation. The organization will lose the privilege to post on campus for 90 days and they will be required to meet with the Associate Director of Student Activities within two weeks of the letter. If the organization wishes to do so, they may appeal to the Director of Student Activities.

Further violations of the posting policy, within six months of the third violation, will result in a referral to the Dean of Students, following the process outlined in the Student Organization Relationship Statement.
Policies and Guidelines

STUDENT TRAVEL

The following policy is taken from the UTSA Handbook of Operating Procedures Section 5.18 (http://www.utsa.edu/hop). There may have been updates to the policy, so please be sure to check the HOP directly for the most current information.

I. Scope of Policy
   A. This policy applies to travel undertaken by students and other non-employee participants to reach an activity or event that meets all of the following conditions:
      1. The activity or event is planned by university faculty or staff;
      2. The university is funding or, through a potential reimbursement request, may be funding the activity or event;
      3. The activity or event is approved by the appropriate university administrators as outlined in the Special Instructions for Initial Implementation Section;
      4. The activity or event occurs more than twenty-five (25) miles from the applicable university campus (either 1604, Downtown or the Institute of Texan Cultures); AND
      5. One of the following conditions is also met:
         a. Travel to the activity or event is funded and undertaken using a vehicle owned, leased, or rented by the university including other modes of transportation; OR
         b. Attendance at the activity or event is required by a registered or sponsored student organization.

   B. Examples of activities or events that may be covered by this policy include the following:
      1. Course-related field trips.
      2. Research trips organized by a faculty member.
      3. Campus recreation programs.
      4. Registered or sponsored student organization trips.
      5. Conferences and meetings where students are serving as university representatives.
      6. Travel for summer camps or college preparatory programs when transportation has been planned and funded by the university.

   C. Although not required by this policy, general safety, conduct, and emergency contact provisions found in this policy or on the associated student travel website may be followed for travel to an activity or event that occurs within 25 miles of the applicable university campus or that is otherwise excluded from this policy.

II. Activities or Events Excluded from this Policy
   A. This policy will almost never apply to an activity or event if all students and other participants are responsible for providing their own transportation to and from the activity or event. (See Section III. A. 2, below, for exception.) Examples of these types of excluded activities and events, which are generally not funded by the university, include: internships, national student exchanges, observations, practicums, student teaching and students attending athletic events held out of town.

   B. This policy does not apply to an activity or event that is part of a program with its own established policies and procedures governing travel. Examples of these types of excluded activities and events include: travel by students who are participating in study abroad and travel by students who are NCAA Division I athletes and attending NCAA athletic activities or events.
C. Student-employees traveling for reasons related to their employment must adhere to policies established for employees by the UTSA Disbursements and Travel Services Office. See http://www.utsa.edu/travel/ for more information.

III. Restrictions and Regulations Relating to Travel by Motor Vehicle

A. Motor Vehicles Used in Travel

1. Motor vehicles used in travel associated with an activity or event covered by this policy should be either: owned, leased or rented by the university; owned, leased or rented by a third party contractor who has been retained by the university to provide all transportation for the activity or event.
   a. University personnel may rent vehicles for use in this type of travel. The university is a participant in the State Travel Management Program, which has negotiated favorable vehicle rental rates with a number of car rental companies. See UT System Administration Policy 157 (UTS157) or contact the UTSA Disbursements and Travel Services Office for information on renting vehicles using state funds.
   b. If a third party will be providing all such travel, the organizing department should contact purchasing and distribution services.

2. While it is possible to allow the use of privately-owned, personal motor vehicles for travel associated with a registered or sponsored student organization activity or event covered under this policy, it is strongly discouraged. For further information relating to travel in privately-owned, personal motor vehicles, see Section III. C.

3. Twelve (12) and fifteen (15) passenger vans may not be used in any transportation associated with an activity or event covered under this policy.

4. Each motor vehicle used in travel covered by this policy should satisfy the following requirements or standards:
   a. Be covered by an active liability insurance policy and carry proof of such insurance in the vehicle.
   b. Display a current state inspection sticker and a current vehicle registration sticker.
   c. Be equipped with all devices or equipment required by federal or state law or regulation and otherwise comply with all applicable federal or state laws and regulations.
   d. Be rented or leased from an approved vendor, have received scheduled periodic service and maintenance by qualified persons and be in compliance with UTS157 requirements.

B. Provisions Relating to Driving Safety

1. If the motor vehicle is owned, leased or rented by the university, the driver must meet the following qualifications or satisfy the following conditions:
   a. Be an UTSA employee or a UTSA student-employee. For purposes of this policy, a “UTSA student-employee” refers to a student who is also a UTSA employee and has job duties that include both driving and participating in one or more activities or events covered by this policy. (In special circumstances and as authorized by Regent rules or UT System policies, a non-employee or non-student volunteer may be authorized by the vice president for business affairs to use a university owned, leased or rented motor vehicle.)
   b. Hold a valid driver’s license that is not currently suspended or revoked and be trained as required by law to drive the vehicle that will be used in the travel.
c. Have a current motor vehicle record on file with University Police which contains a rating of three (3) points or fewer as required by UTS 157. (Contact University Police for further information.)
   i. For any UTSA employee or student-employee who is expected to drive often on travel covered by this policy, the organizing department must perform a motor vehicle record check annually to ensure authorized driving status for such employee or student-employee.
   ii. The organizing department will also notify such an employee or student employee that he/she is obligated to report to the organizing department any moving or traffic violation he/she received after the check has been run.
   iii. The organizing department will report any such moving or traffic violation to the appropriate university administrators, who may require the employee or student-employee to take an additional driver safety course before he/she can transport students or other participants for a subsequent activity or event because of the moving or traffic violation.

d. Successfully complete the university’s driver training course and test at least once a year or before each activity/event.

e. Be listed as a driver on the vehicle rental agreement, for university rented vehicles only.

2. Drivers of motor vehicles engaged in travel covered by this policy shall:
   a. Be awake and alert.
   b. Comply with all laws, regulations and posted signs regarding speed and traffic control.
   c. Appoint a faculty member, staff member or student participating in the activity/event to serve as a navigator for all travel associated with an activity/event if such travel is anticipated to take longer than two (2) hours.
   d. Take a mandatory thirty (30) minute rest break for every four (4) hours of driving.
   e. Not drive more than a total of ten (10) hours in any twenty-four (24) hour period.
   f. Obtain and use overnight lodging in an appropriate hotel/motel if more than ten (10) hours driving time are required to reach a point of destination.
   g. Not drive between the hours of 11:00 p.m. and 6:00 a.m. unless there is an emergency or unless travel during these hours has been approved in advance and in writing by the appropriate university administrators.

3. Whenever a driver of a motor vehicle engaged in travel covered by this policy is driving, the appointed navigator shall:
   a. Remain awake and alert.
   b. Keep an itinerary, map or global positioning system (GPS) unit, cell phone, and list of activity/event leaders readily available.
   c. Assist the driver in ensuring that the travel safety rules listed below in Section III.B.4. are followed.
   d. Unless unable to do so, take the lead in the event of an emergency (such as, but not limited to, a health concern, injury, accident, natural disaster) associated with the vehicle by calling local police on 911 and subsequently calling the University Police Department and one or more of the activity/event leaders.

4. To further enhance the safety of the motor vehicle travel covered by this policy, the following additional safety regulations will apply to all motor
vehicles owned, leased or rented by the university while used in such travel:

a. All occupants of a motor vehicle must use seat belts or other approved safety restraint devices required by law or regulation at all times when the motor vehicle is in operation.

b. No occupant of a motor vehicle may consume, possess or transport any alcoholic beverages or illegal substances.

c. The total number of passengers in the motor vehicle at any time it is in operation must not exceed the manufacturer’s recommended capacity or the number specified in applicable federal or state law or regulations, whichever is fewer.

d. Children of faculty, staff and students cannot be a passenger in the motor vehicle or otherwise participate in the activity/event unless such children are also students or UTSA employees and part of the group attending the activity/event.

e. Students must abide by the Student Code of Conduct rules and regulations contained in the UTSA Information Bulletin while they are a passenger in the motor vehicle or are otherwise participating in an activity or event covered under this policy.

f. The organizing department may also require additional rules concerning their expectations of students, participants and passengers in the motor vehicle.

C. Information Relating to Travel in Privately-Owned, Personal Motor Vehicles

1. While it is strongly recommended that any private, personal motor vehicle used in travel associated with an activity/event and the driver of and passengers in such a vehicle be in compliance with the relevant standards and requirements of this policy, the university does not check or confirm that such standards and requirements have actually been satisfied.

2. The organizing department must notify students who use their own vehicles that they must hold a valid driver’s license not currently suspended or revoked and carry at least the minimum insurance coverage as required by law. UTSA assumes no responsibility or liability for the use of their personal vehicle for the activity/event. Therefore, they or the personal insurance covering the vehicle will be responsible for any liability that may arise from such use. This notification must be done in writing and in advance of travel to the activity or event.

3. Whenever a private, personal motor vehicle is used in an activity/event, the driver of and all passengers being transported in the vehicle will be required to sign a release form that is accessible through the student travel website.

IV. Retention of Documentation

A copy of the approved Student Travel Authorization Request and supporting documentation must remain on file with the organizing department for a period of not fewer than three (3) years after completion of travel to an activity or event. If any claim, damage or injury is sustained, all supporting documentation including signed release and indemnification agreements for students and participants associated with such claim, damage or injury must be retained for at least three (3) years after the resolution of any such claim, damage, or injury.

V. Review of Policy

This policy will be reviewed every five years by the vice president for student affairs, the vice president for academic affairs, and the vice president for business affairs.

See the student travel website at utsa.edu/students/travel/ for related forms, tools, and procedures.
PEACEFUL PUBLIC ASSEMBLY POLICY

Below is only a excerpt of the policy, the full policy can be found at utsa.edu/hop/chapter9/9-37.cfm

The freedoms of speech, expression, and assembly are fundamental rights of all persons and are central to the mission of the university. Students, faculty, and staff, when not operating in their official capacity, have the right to assemble, to speak, and the corresponding rights to hear the speech of others when they choose to listen, and to ignore the speech of others when they choose not to listen.

However, these activities are subject to the well-established right of colleges and universities to regulate time, place, and manner so that the activities do not intrude upon or interfere with the academic programs, administrative processes or other authorized activities of the university. The university shall not discriminate on the basis of the political, religious, philosophical, ideological, or academic viewpoint expressed by any person. Further, no expression or assembly may be conducted in a way that damages or defaces property of the university or of any person who has not authorized the person engaging in expression or assembly to damage or deface his or her property.

University staff, faculty and students may peaceably assemble anywhere on the UTSA campuses that they are otherwise permitted to be without advanced permission, as long as there is no disruption to other university activities. In keeping with the university’s mission, any program or event sponsored by an academic or administrative unit of the university shall have priority in the use of space and facilities over any speech, expression, and assembly that is not sponsored by an academic or administrative unit.

No person, including a student or university employee, shall distribute any petition, handbill, object, or piece of literature; post or carry any sign, placard, or banner; or engage in speech or conduct on property or in buildings or facilities owned or controlled by UTSA if it is obscene, unlawfully defamatory, or directed to inciting or producing imminent lawless action and is likely to incite or produce such action. Further, no person may attempt to coerce, intimidate, or badger any other person into viewing, listening to, or accepting a copy of any communication or persist in demanding the attention of any other person after that other person has attempted to walk away or has clearly refused to attend to the speaker's communication. Persons or organizations who are planning a public assembly with more than 50 participants are strongly encouraged to notify and consult with the executive director of the University Center or his/her designee (herein referred to as the executive director) as soon as practicable after the point at which the planners anticipate or plan for more than 50 participants. Persons or organizations planning smaller assemblies are encouraged to consult the executive director if there is uncertainty about applicable university rules, the appropriateness of the planned location, or possible conflict with other events. The executive director has experience in helping student organizations structure events in ways that both comply with the university’s rules and achieve the organization’s goals for the event. The executive director can help identify appropriate space and potentially conflicting events, as well as help the planners avoid unintended disruption or other violations.

Other generally applicable or narrowly localized rules, written and unwritten, incidentally limit the time, place, and manner of speech, but are too numerous to compile or cross-reference in this policy. For example, libraries typically have highly restrictive rules concerning noise; fire and safety codes prohibit the obstruction of exits and limit the constriction of hallways; classroom speech may be confined to the subject matter of the class; and individual professors may have rules of decorum in their classroom. Such rules must be viewpoint neutral and should not restrict speech more than is reasonably necessary to serve their purpose.

STATEMENT ON DATE AUCTIONS

The purpose of this statement is to discuss briefly three aspects of date auctions that make them inappropriate in the opinion of the Office of Student Activities. It is not our intent to propose that the organizations that have sponsored date auctions in the past had any intentions of promoting or endorsing these issues. Rather, it is our intent to promote awareness of these concerns and point out potential problems and liabilities for future consideration.

Racial insensitivity: Date auctions tend to have the appearance of and the “trappings” of slave
auctions. Slave auctions were a very real and tragic part of the history of this country. They devalued the dignity of human beings to the level of merchandise. Regardless of the intent of a date auction, it still involves one person “bidding” for the services of another person. Whether the services consist of work or time or something else, an auction of this type consists of one person paying a second person (or organization) for the services of a third person. The bidding process invariably involves a comparison of the relative “value” of each person being auctioned. On a campus where equality, openness, and sensitivity are valued, any activity that suggests the auctioning of one human being’s services to another is inappropriate.

Gender insensitivity: An extension of the issues above is the need for us all to respect the rights of others and to know that a person cannot be bought. One of the dangerous attitudes that continue to exist between men and women is the concept of “whoever pays is entitled.” Many date rapes result from the assumption on the part of the man or the woman or both that whoever pays for the “date” is entitled to more than the other person wanted. Date auctions can tend to create an environment where those expectations may be used to the disadvantage of one or the other participants.

Personal safety: A date auction often involves a “well known” person spending time with a stranger on a “date” that he or she otherwise might not have chosen to spend time with at all. The organization sponsoring the auction has no way of knowing the motivations of the persons doing the bidding. A “fatal attraction” circumstance is possible, where the date auction becomes a very convenient means by which a person has the opportunity to “buy” some time with the person to whom he or she is attracted. Although the possibility of this scenario may seem extremely remote, it has considerable liability implications for the organization sponsoring the event.

Date auctions are almost always held to raise money for good causes. The organizations have very good intentions in sponsoring the activity. Given the above concerns, which expose the potential for persons and/or groups either to be offended or hurt, date auctions may be perceived to be an ill-conceived way to raise money. If an organization should want to hold an auction, we would encourage the auctioning of items, such as tickets to an event or dinners at a particular restaurant, rather than auctioning individuals. With the many positive and imaginative alternatives that organizations have for raising funds, we feel date auctions should be avoided.

STATEMENT ON PUBLIC VIEWINGS

The purpose of this statement is to educate the campus community on the responsibility one must take when holding public viewings of films, slideshows, videos, DVDs or any other licensed production.

Intention of US Copyright Laws: Copyright laws are intended to protect the rights and interests of authors and artists, to protect their due credit and financial compensation for their works against piracy, against other people stealing their deserved credit and profits. Copyright laws are also intended to protect the licenses and patents belonging to inventors and entrepreneurs.

**Items that are protected under US Copyright Laws:** (1) literary works; (2) musical works, including any accompanying words; (3) dramatic works, including any accompanying music; (4) pantomimes and choreographic works; (5) pictorial, graphic, and sculptural works; (6) motion pictures and other audiovisual works; (7) sound recordings; and (8) architectural works. (Source: Library of Congress – US Copyright Law: [http://www.copyright.gov/title17/92chap1.html#102](http://www.copyright.gov/title17/92chap1.html#102)). For information about getting permission to use copyrighted materials (papers, images, movies, music, etc) visit: [http://www.utsystem.edu/ogc/IntellectualProperty/homepage.htm](http://www.utsystem.edu/ogc/IntellectualProperty/homepage.htm).

Procedures to follow for Public Viewings: Student organizations may sponsor slide shows, videotapes, DVDs or films on campus. In addition, they must either (a) receive written permission from the copyright owner to hold a public viewing or (b) pay for the use of the public viewing using a distributor (see below). Simply purchasing or renting a slide show, videotape, DVD or film from a store or checking one out from a library does not comply with copyright laws.
